ATTACHMENT A - BIDDERS QUESTIONS AND DDC RESPONSES

No.	Bidders Questions	*DDC Responses*
1.	***Search Print*** Quantities provided for bid items 4.17 D3G; 4.17 EG3G and 4.17 OG1G, are not the same as listed on contract plant schedule. Please clarify which should be used.	*Bidders must bid on the bid item quantity provided in the bid schedule titled "HWX405-Bid Schedule Addendum 1"*
2.	***Bid Due Date Extension*** Due to the upcoming Memorial Day holiday weekend, we respectfully request an extension of the bid due date. Since the current due date falls immediately after the long weekend, additional time would help ensure we can adequately prepare and submit a complete and competitive proposal. We would appreciate your consideration of an extension. Please let us know if this request can be accommodated.	*Bid postponement is not allowed at this time.*
3.	I have a question regarding many of the bid items and price criteria associated with them, as the not less than prices look out of line with those of other projects. Attached is the Bid Schedule with some of the questionable items highlighted in yellow for your review and correct as necessary.	*The bidders must use the current bid schedule with file name "HWX405-Bid Schedule Addendum 1"*
