RE: Addendum # 3 for Paid Detail RFP, E-PIN# - 05626P0001

This Addendum #3 is issued to postpone the proposal due date.

I. EXTENSION OF DUE DATE FOR RECEIPT OF PROPOSALS TO THURSDAY, DECEMBER 3RD, 2026:

The NYPD is still working on the high volume of vendor questions received. Thus, the proposal due date will be further postponed. The new proposal due date and time is Thursday, December 3rd, 2026, by 4:00 PM.

II. QUESTIONS RECEIVED FROM VENDORS/ RFP CLARIFICATIONS:

The NYPD has received a very large volume of questions from Vendors with respect to this solicitation. A separate Addendum #4 will be issued once the NYPD has had sufficient time to review all of the questions that have been received and to formulate responses to all of them. It is anticipated that this additional Addendum #4 will contain all of the Vendor questions received, the NYPD's responses to these questions, as well as some clarifications to the RFP. The NYPD requests that Vendors do not submit any proposals in response to this solicitation until this additional addendum has been released and Vendors have had a chance to review it.

Please execute the Acknowledgement of Receipt of this Addendum below and return the acknowledgement with your proposal response. This is a required document upload in the PASSPort solicitation.

Please sign and return this Addendum, as provided below, with your bid in PASSPort.
