

## LIST OF EQUIPMENT/MATERIAL MANUFACTURERS FORM

Where applicable to a particular Contract, this LIST OF EQUIPMENT/MATERIAL MANUFACTURERS must be signed and submitted by the bidder with the bid. See Division 01, Section 01 43 20 - Approval of Product Manufacturers for details on the requirements for manufacturer approval. **The Bidder must indicate either a “Named Manufacturer” OR a proposed “or equal” manufacturer for EACH of the items listed in the table below. Only one of the columns should be filled in for each equipment/material item, not both.** If any item listed below is not filled in with either a “Named Manufacturer” or an “or equal” by the apparent low bidder, then the bidder must re-submit the list and designate a “Named Manufacturer” for the item(s) within 24 hours after bid opening. Failure to comply with these requirements may cause the bid to be rejected as non-responsive.
