# ACCESS TO NON-PUBLIC AREAS RIDER

Effective April 16, 2018, Local Law 246 of 2017 is codified in the New York City Administrative Code at Section 4-210. The law in part applies to any contractor having regular contact with the public in the daily administration of human services at any location, whether or not on city property, where such services are provided under a City contract. Accordingly, Contractor agrees to the following requirements:

In connection with the services provided under this Agreement, Contractor shall not knowingly permit and shall ensure that its subcontractors do not knowingly permit Enforcement Personnel to have access to non-public areas of the facilities where the services are provided unless:

1. such Enforcement Personnel are authorized to have access pursuant to an agreement, contract, or subcontract;

2. such Enforcement Personnel present a judicial warrant;

3. access is otherwise required by law;

4. such Enforcement Personnel are accessing such non-public areas as part of a cooperative arrangement involving city, state, or federal agencies;

5. access furthers the purpose or mission of a city agency; or

6. exigent circumstances exist.

For the purposes of this rider, the phrase “Enforcement Personnel” means government personnel who are empowered to enforce civil or criminal laws, but excludes personnel of the City, the New York City Department of Education, or a local public benefit corporation or local public authority.
