IRAN DIVESTMENT ACT COMPLIANCE RIDER FOR
NEW YORK CITY CONTRACTORS

The Iran Divestment Act of 2012, effective as of April 12, 2012, is codified at State Finance Law ("SFL") §165-a and General Municipal Law ("GML") §103-g. The Iran Divestment Act, with certain exceptions, prohibits municipalities, including the City, from entering into contracts with persons engaged in investment activities in the energy sector of Iran. Pursuant to the terms set forth in SFL §165-a and GML §103-g, a person engages in investment activities in the energy sector of Iran if:

(a) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or

(b) The person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to paragraph (b) of subdivision three of Section 165-a of the State Finance Law and maintained by the Commissioner of the Office of General Services.

A bid or proposal shall not be considered for award nor shall any award be made where the bidder or proposer fails to submit a signed and verified bidder's certification.

Each bidder or proposer must certify that it is not on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. In any case where the bidder or proposer cannot certify that they are not on such list, the bidder or proposer shall so state and shall furnish with the bid or proposal a signed statement which sets forth in detail the reasons why such statement cannot be made. The City of New York may award a bid to a bidder who cannot make the certification on a case by case basis if:

(1) The investment activities in Iran were made before the effective date of this section (i.e., April 12, 2012), the investment activities in Iran have not been expanded or renewed after the effective date of this section and the person has adopted, publicized and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran: or

(2) The City makes a determination that the goods or services are necessary for the City to perform its functions and that, absent such an exemption, the City would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

NOTICE TO VENDORS

Please be advised that, pursuant to the authority granted to the City under Labor Law §816-b, the Department of Environmental Protection hereby requires that the contractor awarded a contract as a result of this solicitation, and any of its subcontractors with subcontracts worth two million dollars or over, have, prior to entering into such contract or subcontract, apprenticeship agreements appropriate for the type and scope of work to be performed that have been registered with, and approved by, the New York State Commissioner of Labor. In addition, the contractor and its subcontractors will be required to show that such apprenticeship program/s have successfully passed the two year Probation period following the initial registration date of such program/s with the New York State Department of Labor.

The failure to prove, upon request, that these requirements have been met shall result in the contract not being awarded to the contractor or the subcontractor not being approved.

Please be further advised that, pursuant to Labor Law §220, the allowable ratio of apprentices to journeypersons in any craft classification shall not be greater than the ratio permitted to the contractor as to its workforce on any job under the registered apprenticeship program.

Such interpretation or correction as well as any additional Contract provisions the ACCO may decide to include will be issued in PASSPort by the ACCO as an addendum to the IFB. Upon such posting, such addendum shall become a part of the IFB and Contract Documents, and binding on all bidders.

(B) ONLY THE ACCO'S INTERPRETATION OR CORRECTION BINDING

Bids may be modified or withdrawn in PASSPort before the time and date set for the bid opening. If a bid is withdrawn in accordance with this Section, the bid security, if any, shall be returned to the bidder.

(B) AFTER BID OPENING

9. ACKNOWLEDGMENT OF ADDENDA

The receipt of any addenda to the Contract Documents shall be acknowledged by the bidder on or before the submission of the bid.

11. PROPRIETARY INFORMATION / TRADE SECRETS

The bidder shall clearly identify those portions of the bid which it deems to be confidential, proprietary information or trade secrets, and must provide justification as to why such materials should not be disclosed by the City. All materials the bidder desires to remain confidential shall be clearly indicated by stamping the pages on which such information appears, at the top and bottom thereof with the word

(B) NEGOTIATIONS WITH THE APPARENT LOWEST RESPONSIVE AND RESPONSIBLE BIDDER

Upon determination of the apparent lowest responsive and responsible bidder and prior to award, the ACCO may elect to open negotiations with such bidder in an effort to improve the bid to the City with respect to the price only. In the event the apparent lowest responsive and responsible bidder declines to negotiate, the ACCO may elect to either award the contract to the apparent lowest responsive and responsible bidder or may, upon written approval by the ACCO, reject all bids in accordance with the PPB Rules.

13. MISTAKES IN BIDS

(B) Mistakes Discovered **After Bid Opening:**

(i) Mistakes Where Intended Correct Bid is Evident

If the mistake and the intended correct bid are clearly evident on the face of the bid document, the bid shall be corrected to the intended correct bid and may not be withdrawn. Examples of mistakes that may be clearly evident on the face of the bid

documents are typographical errors, errors in extending unit prices, transposition errors, and arithmetic errors.

(ii) Mistakes Where Intended Correct Bid is **Not Evident**

In accordance with General Municipal Law Section 103(11), mistakes may not be corrected after bid opening. Unless otherwise required by law, the sole remedy for a bid mistake discovered after bid opening shall be withdrawal of that bid, and return of the bid bond or other security, if any, to the bidder in accordance with this Section. Thereafter, DEP may, in its discretion, award the contract to the next lowest bidder or rebid the contract. Any amendment to or reformation of a bid or a contract to rectify such an error or mistake therein is strictly prohibited. Where a unilateral error or mistake is discovered in a low bid, such bid may be withdrawn upon written approval of the ACCO if the following conditions are met:

(a) the mistake is known or made known to DEP prior to the awarding of the contract or within three days after the opening of the bid, whichever period is shorter; and

(b) the price bid was based on an error of such magnitude that enforcement would be unconscionable; and

(c) the bid was submitted in good faith and the bidder submits credible evidence that the mistake was a clerical error as opposed to a judgment error; and

(d) the error in the bid is actually due to an unintentional and substantial arithmetic error or an unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of the original work papers, documents, or materials used in the preparation of the bid sought to be withdrawn; and

(e) it is possible to place the City in the same condition that had existed prior to the receipt of the bid.

14. LOW TIE BIDS

(A) When two or more low responsive bids from responsible bidders are identical in price, meeting all the requirements and criteria set forth in the IFB, the ACCO will break the tie in the following manner and order of priority:

(ii) Award to a New York City bidder;

(iii) Award to a certified New York State small, minority, or woman-owned business bidder;
(iv) Award to a New York State bidder.

(B) If two or more bidders still remain equally eligible after application of paragraph (A) above, award shall be made by a drawing by lot limited to those bidders. The bidders involved shall be invited to attend the drawing. A witness shall be present to verify the drawing and shall certify the results on the bid tabulation sheet.

15. REJECTION OF BIDS

(A) Rejection of Individual Bids.

DEP may reject a bid if:

(i) The bidder fails to furnish any of the information required pursuant to Section 22 or 29 hereof; or if

(ii) The bidder is determined to be not responsible pursuant to the PPB Rules; or if

(iii) The bidder is determined to be non-responsive pursuant to the PPB Rules; or if

(iv) The bid, in the opinion of the ACCO, contains unbalanced bid prices and is thus non-responsive.

(B) REJECTION OF ALL BIDS.

The ACCO may reject all bids and may elect to re-solicit bids or by any other method authorized by the PPB Rules.

16. RIGHT TO APPEAL DETERMINATIONS OF NON-RESPONSIVENESS OR NON-RESPONSIBILITY AND RIGHT TO PROTEST SOLICITATIONS AND AWARD

The bidder has the right to appeal a determination of non-responsiveness or non- responsibility and any vendor has the right to protest a solicitation and award. For further information concerning these rights, the bidder is directed to the PPB Rules.

17. EQUAL EMPLOYMENT OPPORTUNITY

This IFB is subject to applicable provisions of federal, State, and local laws and executive orders requiring equal employment opportunity.

18. AUDIT BY THE COMPTROLLER

The New York City Comptroller is charged with the audit of City contracts. Any vendor who believes that there has been unfairness, favoritism, or impropriety in the bid process should inform the

The bid security shall assure the City and DEP of the adherence of the bidder to its bid, and the execution of the Contract, in form included in this IFB, if its bid is accepted.** The bidder is advised that submission of a bid bond where the surety on such bond fails to meet the criteria set forth herein shall result in the rejection of the bid as non-responsive.

The bid bond must be issued by a surety company that is authorized to do business in the State of New York. The performance security shall be delivered by the Contractor to the Contract Management Office *within ten days after the receipt of a Notice of Award*. If a Contractor fails to deliver the required performance security, the award shall be rescinded, its bid security shall be enforced and award of the Contract may be made to the next lowest responsive and responsible bidder or the Contract may be rebid.

(C) PAYMENT SECURITY.

Payment security is required in the amount specified in Schedule A. The payment security, in the form set forth herein, shall be delivered by the Contractor to DEP's Contract Management Office within ten days after the receipt of a Notice of Award. (i) Acceptable security for bids, performance and payment shall be limited to:

(a) a one-time bond in a form satisfactory to the City (the bidder must use the forms included in this IFB and PASSPort); or

(b) a bank certified check or money order; or

(c) other financial instruments as determined by the Mayor's Office of Contract Services in consultation with the Comptroller.

(ii) When the successful bidder deposits obligations of The City of New York as performance and payment security, the Comptroller may sell and use the proceeds thereof for any purpose for which the principal or surety on such bond would be liable under the terms of the Contract. If the money is deposited with the Comptroller, the successful bidder shall not be entitled to receive interest on such money from the City.

(iii) Security provided in the form of bonds must be prepared on the form of bonds authorized by the City of New York. Forms for the bid, performance, and payment bonds are included in the IFB documents. Such bonds must have as surety thereunder such survey company or companies as are:

No plea of mistake in such accepted bid shall be available to the bidder for the recovery of such bid security or as a defense to any action based upon such accepted bid. Further, should the bidder's failure to comply with this Section cause any funding agency, body or group (federal, State, City, public, private, etc.) to terminate, cancel or reduce the funding on this project, the bidder in such event shall be liable also to the City for the amount of actual funding withdrawn by such agency, body or other entity on this project less the amount of the forfeited bid security.

NOTICE TO ALL PROSPECTIVE CONTRACTORS

PARTICIPATION BY MINORITY-OWNED AND WOMEN-OWNED BUSINESS ENTERPRISES IN CITY PROCUREMENT

ARTICLE I. M/WBE PROGRAM

Section 6-129 of the Administrative Code of the City of New York ("Section 6-129") establishes the program for participation in City procurement ("M/WBE Program") by minority-owned business enterprises ("MBEs") and women-owned business enterprises ("WBEs"), certified in accordance with Section 1304 of the New York City Charter. As stated in Section 6-129, the intent of the program is to address the impact of discrimination on the City's procurement process, and to promote the public interest in avoiding fraud and favoritism in the procurement process, increasing competition for City business, and lowering contract costs. The contract provisions contained herein are pursuant to Section 6-129, and the rules of the Department of Small Business Services ("DSBS") promulgated thereunder.

If this Contract is subject to the M/WBE Program established by Section 6-129, the specific requirements of MBE and/or WBE participation for this Contract are set forth in Schedule B of the Contract (entitled the "M/WBE Utilization Plan") and are detailed below. Contracts solicited through the Procurement and Sourcing Solutions Portal (PASSPort) will contain a Schedule B in the format outlined in the Schedule B – M/WBE Utilization Plan & PASSPort rider. The provisions of this notice will apply to contracts subject to the M/WBE Program established by Section 6-129 regardless of solicitation source.

The Contractor must comply with all applicable MBE and WBE requirements for this Contract.

All provisions of Section 6-129 are hereby incorporated in the Contract by reference and all terms used herein that are not defined herein shall have the meanings given such terms in Section 6-129.

References to MBEs or WBEs shall also include such businesses certified pursuant to the executive law where credit is required by section 311 of the New York City Charter or other provision of law.

Article I, Part A, below, sets forth provisions related to the participation goals for construction, standard and professional services contracts.

Article I, Part B, below, sets forth miscellaneous provisions related to the M/WBE Program.

PART A

PARTICIPATION GOALS FOR CONSTRUCTION, STANDARD AND PROFESSIONAL SERVICES CONTRACTS OR TASK ORDERS

1. The **MBE and/or WBE Participation Goals** established for this Contract or Task Orders issued pursuant to this Contract, ("**Participation Goals**"), as applicable, are set forth on Schedule B, Part 1 to this Contract (see Page 1, Line 1 Total Participation Goals) or will be set forth on Schedule B, Part 1 to Task Orders issued pursuant to this Contract, as applicable.

The **Participation Goals** represent a percentage of the total dollar value of the Contract or Task Order, as applicable, that may be achieved by awarding subcontracts to firms certified with DSBS as MBEs and/or WBEs, and/or by crediting the participation of prime contractors and/or qualified joint ventures as provided in Section 3 below, unless the goals have been waived or modified by Agency in accordance with Section 6-129 and Part A, Sections 10 and 11 below, respectively.

2. If **Participation Goals** have been established for this Contract or Task Orders issued pursuant to this Contract, Contractor agrees or shall agree as a material term of the Contract that Contractor shall be subject to the **Participation Goals**, unless the goals are waived or modified by Agency in accordance with Section 6-129 and Part A, Sections 10 and 11 below, respectively.

3. If **Participation Goals** have been established for this Contract or Task Order issued pursuant to this Contract, a Contractor that is an MBE and/or WBE shall be permitted to count its own participation toward fulfillment of the relevant **Participation Goal**, provided that in accordance with Section 6-129 the value of Contractor's participation shall be determined by subtracting from the total value of the Contract or Task Order, as applicable, any amounts that the Contractor pays to direct subcontractors (as defined in Section 6-129(c)(13)), and provided further that a Contractor that is certified as both an MBE and a WBE may count its own participation either toward the goal for MBEs or the goal for WBEs, but not both.

A Contractor that is a qualified joint venture (as defined in Section 6-129(c)(30)) shall be permitted to count a percentage of its own participation toward fulfillment of the relevant **Participation Goal**. In accordance with Section 6-129, the value of Contractor's participation shall be determined by subtracting from the total value of the Contract or Task Order, as applicable, any amounts that Contractor pays to direct subcontractors, and then multiplying the remainder by the percentage to be applied to total profit to determine the amount to which an MBE or WBE is entitled pursuant to the joint venture agreement, provided that where a participant in a joint venture is certified as both an MBE and a WBE, such amount shall be counted either toward the goal for MBEs or the goal for WBEs, but not both.

4. A. If **Participation Goals** have been established for this Contract, a prospective contractor shall be required to submit with its bid or proposal, as applicable, a completed Schedule B, M/WBE Utilization Plan, Part 2 (see Pages1-2) indicating: (a) whether the contractor is an MBE or WBE, or qualified joint venture; (b) the percentage of work it intends to award to direct subcontractors; (c) in cases where the contractor intends to award direct subcontracts, a description of the type and dollar value of work designated for participation by

MBEs and/or WBEs, and the time frames in which such work is scheduled to begin and end; as well as the name, addresses, and telephone numbers of the M/WBE subcontractors if required by the solicitation; and (d) the prospective contractor's required certification and affirmations. In the event that this M/WBE Utilization Plan indicates that the bidder or proposer, as applicable, does not intend to meet the **Participation Goals**, the bid or proposal, as applicable, shall be deemed non-responsive, unless Agency has granted the bidder or proposer, as applicable, a pre-award waiver of the **Participation Goals** in accordance with Section 6-129 and Part A, Section 10 below.

B. (i) If this Contract is for a master services agreement or other requirements type contract that will result in the issuance of Task Orders that will be individually registered ("Master Services Agreement") and is subject to M/WBE **Participation Goals**, a prospective contractor shall be required to submit with its bid or proposal, as applicable, a completed Schedule B, M/WBE Participation Requirements for Master Services Agreements That Will Require Individually Registered Task Orders, Part 2 (page 2) indicating the prospective contractor's certification and required affirmations to make all reasonable good faith efforts to meet participation goals established on each individual Task Order issued pursuant to this Contract, or if a partial waiver is obtained or such goals are modified by the Agency, to meet the modified **Participation Goals** by soliciting and obtaining the participation of certified MBE and/or WBE firms. In the event that the Schedule B indicates that the bidder or proposer, as applicable, does not intend to meet the **Participation Goals** that may be established on Task Orders issued pursuant to this Contract, the bid or proposal, as applicable, shall be deemed non-responsive.

(ii) **Participation Goals** on a Master Services Agreement will be established for individual Task Orders issued after the Master Services Agreement is awarded. If **Participation Goals** have been established on a Task Order, a contractor shall be required to submit a Schedule B – M/WBE Utilization Plan For Independently Registered Task Orders That Are Issued Pursuant to Master Services Agreements, Part 2 (see Pages 1-2) indicating: (a) whether the contractor is an MBE or WBE, or qualified joint venture; (b) the percentage of work it intends to award to direct subcontractors; (c) in cases where the contractor intends to award direct subcontracts, a description of the type and dollar value of work designated for participation by MBEs and/or WBEs, and the time frames in which such work is scheduled to begin and end; as well as the name, addresses, and telephone numbers of the M/WBE subcontractors if required by the solicitation; and (d) the prospective contractor's required certification and affirmations. The contractor must engage in good faith efforts to meet the **Participation Goals** as established for the Task Order unless Agency has granted the contractor a pre-award waiver of the **Participation Goals** in accordance with Section 6-129 and Part A, Section 10 below.

C. THE BIDDER/PROPOSER MUST COMPLETE THE SCHEDULE B INCLUDED HEREIN (SCHEDULE B, PART 2). A SCHEDULE B SUBMITTED BY THE BIDDER/PROPOSER WHICH DOES NOT INCLUDE THE VENDOR CERTIFICATION AND REQUIRED AFFIRMATIONS WILL BE DEEMED TO BE NON-RESPONSIVE, UNLESS A FULL WAIVER OF THE PARTICIPATION GOALS IS GRANTED (SCHEDULE B, PART 3). IN THE EVENT THAT THE CITY DETERMINES THAT THE BIDDER/PROPOSER HAS SUBMITTED A SCHEDULE B WHERE THE VENDOR CERTIFICATION AND REQUIRED AFFIRMATIONS ARE COMPLETED BUT OTHER ASPECTS OF THE SCHEDULE B ARE NOT COMPLETE, OR CONTAIN A COPY OR COMPUTATION ERROR THAT IS AT ODDS WITH THE

VENDOR CERTIFICATION AND AFFIRMATIONS, THE BIDDER/PROPOSER WILL BE NOTIFIED BY THE AGENCY AND WILL BE GIVEN FOUR (4) CALENDAR DAYS FROM RECEIPT OF NOTIFICATION TO CURE THE SPECIFIED DEFICIENCIES AND RETURN A COMPLETED SCHEDULE B TO THE AGENCY. FAILURE TO DO SO WILL RESULT IN A DETERMINATION THAT THE BID/PROPOSAL IS NON-RESPONSIVE. RECEIPT OF NOTIFICATION IS DEFINED AS THE DATE NOTICE IS E-MAILED OR FAXED (IF THE BIDDER/PROPOSER HAS PROVIDED AN E-MAIL ADDRESS OR FAX NUMBER), OR NO LATER THAN FIVE (5) CALENDAR DAYS FROM THE DATE OF MAILING OR UPON DELIVERY, IF DELIVERED.

5. Where an **M/WBE** Utilization Plan has been submitted, the Contractor shall, within 30 days of issuance by Agency of a notice to proceed, submit a list of proposed persons or entities to which it intends to award subcontracts within the subsequent 12 months. In the case of multi-year contracts, such list shall also be submitted every year thereafter. The Agency may also require the Contractor to report periodically about the contracts awarded by its direct subcontractors to indirect subcontractors (as defined in Section 6-129(c)(22)). **PLEASE NOTE: If this Contract is a public works project subject to GML §101(5) (i.e., a contract valued at or below $3M for projects in New York City) or if the Contract is subject to a project labor agreement in accordance with Labor Law §222, and the bidder is required to identify at the time of bid submission its intended subcontractors for the Wicks trades (plumbing and gas fitting; steam heating, hot water heating, ventilating and air conditioning (HVAC); and electric wiring), the Contractor must identify all those to which it intends to award construction subcontracts for any portion of the Wicks trade work at the time of bid submission, regardless of what point in the life of the contract such subcontracts will occur. In identifying intended subcontractors in the bid submission, bidders may satisfy any Participation Goals established for this Contract by proposing one or more subcontractors that are MBEs and/or WBEs for any portion of the Wicks trade work.** In the event that the Contractor's selection of a subcontractor is disapproved, the Contractor shall have a reasonable time to propose alternate subcontractors.

6. MBE and WBE firms must be certified by DSBS in order for the Contractor to credit such firms' participation toward the attainment of the **Participation Goals**. Such certification must occur prior to the firms' commencement of work. A list of city-certified MBE and WBE firms may be obtained from the DSBS website at www.nyc.gov/buycertified, by emailing DSBS at buyer@sbs.nyc.gov, by calling (212) 513-6451, or by visiting or writing DSBS at One Liberty Plaza, New York, New York, 10006, 11th floor. Eligible firms that have not yet been certified may contact DSBS in order to seek certification by visiting www.nyc.gov/getcertified, emailing MWBE@sbs.nyc.gov, or calling the DSBS certification helpline at (212) 513-6311. A firm that is certified as both an MBE and a WBE may be counted either toward the goal for MBEs or the goal for WBEs, but not both. No credit shall be given for participation by a graduate MBE or graduate WBE, as defined in Section 6-129(c)(20).

7. Where an **M/WBE** Utilization Plan has been submitted, the Contractor shall, with each voucher for payment, and/or periodically as Agency may require, submit statements, certified under penalty of perjury, which shall include, but not be limited to,: the total amount the Contractor paid to its direct subcontractors, and, where applicable pursuant to Section 6-129(j), the total amount direct subcontractors paid to indirect subcontractors; the names, addresses and contact numbers of each MBE or WBE hired as a subcontractor by the Contractor, and, where

applicable, hired by any of the Contractor's direct subcontractors; and the dates and amounts paid to each MBE or WBE. The Contractor shall also submit, along with its voucher for final payment: the total amount it paid to subcontractors, and, where applicable pursuant to Section 6-129(j), the total amount its direct subcontractors paid directly to their indirect subcontractors; and a final list, certified under penalty of perjury, which shall include the name, address and contact information of each subcontractor that is an MBE or WBE, the work performed by, and the dates and amounts paid to each.

8. If payments made to, or work performed by, MBEs or WBEs are less than the amount specified in the Contractor's **M/WBE** Utilization Plan, Agency shall take appropriate action, in accordance with Section 6-129 and Article II below, unless the Contractor has obtained a modification of its **M/WBE** Utilization Plan in accordance with Section 6-129 and Part A, Section 11 below.

9. Where an **M/WBE** Utilization Plan has been submitted, and the Contractor requests a change order the value of which exceeds the greater of 10 percent of the Contract or Task Order, as applicable, or $500,000, Agency shall review the scope of work for the Contract or Task Order, as applicable, and the scale and types of work involved in the change order, and determine whether the **Participation Goals** should be modified.

10. Pre-award waiver of **the Participation Goals**. (a) A bidder or proposer, or contractor with respect to a Task Order, may seek a pre-award full or partial waiver of the Participation Goals in accordance with Section 6-129, which requests that Agency change one or more **Participation Goals** on the grounds that the **Participation Goals** are unreasonable in light of the availability of certified firms to perform the services required, or by demonstrating that it has legitimate business reasons for proposing a lower level of subcontracting in its M/WBE Utilization Plan.

(b) To apply for a full or partial waiver of the **Participation Goals**, a bidder, proposer, or contractor, as applicable, must complete Part 3 of Schedule B **and submit such request no later than seven (7) calendar days prior to the date and time the bids, proposals, or Task Orders are due, in writing to the Agency Contact Person listed in Schedule B, Part 1**. **Full or partial waiver requests that are received later than seven (7) calendar days prior to the date and time the bids, proposals, or Task Orders are due may be rejected as untimely**. Bidders, proposers, or contractors, as applicable, who have submitted timely requests will receive an Agency response by no later than two (2) calendar days prior to the due date for bids, proposals, or Task Orders; provided, however, that if that date would fall on a weekend or holiday, an Agency response will be provided by close-of-business on the business day before such weekend or holiday date.

(c) If the Agency determines that the **Participation Goals** are unreasonable in light of the availability of certified firms to perform the services required, it shall revise the solicitation and extend the deadline for bids and proposals, or revise the Task Order, as applicable.

(d) Agency may grant a full or partial waiver of the **Participation Goals** to a bidder, proposer or contractor, as applicable, who demonstrates—before submission of the bid, proposal or Task Order, as applicable—that it has legitimate business reasons for proposing the level of

subcontracting in its **M/WBE** Utilization Plan. In making its determination, Agency shall consider factors that shall include, but not be limited to, whether the bidder, proposer or contractor, as applicable, has the capacity and the bona fide intention to perform the Contract without any subcontracting, or to perform the Contract without awarding the amount of subcontracts represented by the **Participation Goals**. In making such determination, Agency may consider whether the **M/WBE** Utilization Plan is consistent with past subcontracting practices of the bidder, proposer or contractor, as applicable, whether the bidder, proposer or contractor, as applicable, has made efforts to form a joint venture with a certified firm, and whether the bidder, proposer, or contractor, as applicable, has made good faith efforts to identify other portions of the Contract that it intends to subcontract.

11. Modification of **M/WBE** Utilization Plan. (a) A Contractor may request a modification of its **M/WBE** Utilization Plan after award of this Contract. **PLEASE NOTE: If this Contract is a public works project subject to GML §101(5) (i.e., a contract valued at or below $3M for projects in New York City) or if the Contract is subject to a project labor agreement in accordance with Labor Law §222, and the bidder is required to identify at the time of bid submission its intended subcontractors for the Wicks trades (plumbing and gas fitting; steam heating, hot water heating, ventilating and air conditioning (HVAC); and electric wiring), the Contractor may request a Modification of its M/WBE Utilization Plan as part of its bid submission.** The Agency may grant a request for Modification of a Contractor's **M/WBE** Utilization Plan if it determines that the Contractor has established, with appropriate documentary and other evidence, that it made reasonable, good faith efforts to meet the **Participation Goals**. In making such determination, Agency shall consider evidence of the following efforts, as applicable, along with any other relevant factors:

(i) The Contractor advertised opportunities to participate in the Contract, where appropriate, in general circulation media, trade and professional association publications and small business media, and publications of minority and women's business organizations;

(ii) The Contractor provided notice of specific opportunities to participate in the Contract, in a timely manner, to minority and women's business organizations;

(iii) The Contractor sent written notices, by certified mail or facsimile, in a timely manner, to advise MBEs or WBEs that their interest in the Contract was solicited;

(iv) The Contractor made efforts to identify portions of the work that could be substituted for portions originally designated for participation by MBEs and/or WBEs in the **M/WBE** Utilization Plan, and for which the Contractor claims an inability to retain MBEs or WBEs;

(v) The Contractor held meetings with MBEs and/or WBEs prior to the date their bids or proposals were due, for the purpose of explaining in detail the scope and requirements of the work for which their bids or proposals were solicited;

(vi) The Contractor made efforts to negotiate with MBEs and/or WBEs as relevant to perform specific subcontracts, or act as suppliers or service providers;

(vii) Timely written requests for assistance made by the Contractor to Agency's M/WBE liaison officer and to DSBS;

(viii) Description of how recommendations made by DSBS and Agency were acted upon and an explanation of why action upon such recommendations did not lead to the desired level of participation of MBEs and/or WBEs.

Agency's M/WBE officer shall provide written notice to the Contractor of the determination.

(b) The Agency may modify the **Participation Goals** when the scope of the work has been changed by the Agency in a manner that affects the scale and types of work that the Contractor indicated in its **M/WBE Utilization Plan** would be awarded to subcontractors.

12. If the Contractor was required to identify in its bid or proposal the MBEs and/or WBEs they intended to use in connection with the performance of the Contract or Task Order, substitutions to the identified firms may only be made with the approval of the Agency, which shall only be given when the Contractor has proposed to use a firm that would satisfy the **Participation Goals** to the same extent as the firm previously identified, unless the Agency determines that the Contractor has established, with appropriate documentary and other evidence, that it made reasonable, good faith efforts. In making such determination, the Agency shall require evidence of the efforts listed in Section 11(a) above, as applicable, along with any other relevant factors.

13. If this Contract is for an indefinite quantity of construction, standard or professional services or is a requirements type contract and the Contractor has submitted an **M/WBE** Utilization Plan and has committed to subcontract work to MBEs and/or WBEs in order to meet the **Participation Goals**, the Contractor will not be deemed in violation of the M/WBE Program requirements for this Contract with regard to any work which was intended to be subcontracted to an MBE and/or WBE to the extent that the Agency has determined that such work is not needed.

14. If **Participation Goals** have been established for this Contract or a Task Order issued pursuant to this Contract, at least once annually during the term of the Contract or Task Order, as applicable, Agency shall review the Contractor's progress toward attainment of its **M/WBE** Utilization Plan, including but not limited to, by reviewing the percentage of work the Contractor has actually awarded to MBE and/or WBE subcontractors and the payments the Contractor made to such subcontractors.

15. If **Participation Goals** have been established for this Contract or a Task Order issued pursuant to this Contract, Agency shall evaluate and assess the Contractor's performance in meeting those goals, and such evaluation and assessment shall become part of the Contractor's overall contract performance evaluation.

PART B

MISCELLANEOUS

1. The Contractor shall take notice that, if this solicitation requires the establishment of a **M/WBE** Utilization Plan, the resulting contract may be audited by DSBS to determine compliance with Section 6-129. See §6-129(e)(10). Furthermore, such resulting contract may also be examined by the City's Comptroller to assess compliance with the **M/WBE** Utilization Plan.

2. Pursuant to DSBS rules, construction contracts that include a requirement for a **M/WBE** Utilization Plan shall not be subject to the law governing Locally Based Enterprises set forth in Section 6-108.1 of the Administrative Code of the City of New York.

3. DSBS is available to assist contractors and potential contractors in determining the availability of MBEs and/or WBEs to participate as subcontractors, and in identifying opportunities that are appropriate for participation by MBEs and/or WBEs in contracts.

4. Prospective contractors are encouraged to enter into qualified joint venture agreements with MBEs and/or WBEs as defined by Section 6-129(c)(30).

5. By submitting a bid or proposal the Contractor hereby acknowledges its understanding of the M/WBE Program requirements set forth herein and the pertinent provisions of Section 6-129, and any rules promulgated thereunder, and if awarded this Contract, the Contractor hereby agrees to comply with the M/WBE Program requirements of this Contract and pertinent provisions of Section 6-129, and any rules promulgated thereunder, all of which shall be deemed to be material terms of this Contract. The Contractor hereby agrees to make all reasonable, good faith efforts to solicit and obtain the participation of MBEs and/or WBEs to meet the required **Participation Goals**.

ARTICLE II. ENFORCEMENT

1. If Agency determines that a bidder or proposer, as applicable, has, in relation to this procurement, violated Section 6-129 or the DSBS rules promulgated pursuant to Section 6-129, Agency may disqualify such bidder or proposer, as applicable, from competing for this Contract and the Agency may revoke such bidder's or proposer's prequalification status, if applicable.

2. Whenever Agency believes that the Contractor or a subcontractor is not in compliance with Section 6-129 or the DSBS rules promulgated pursuant to Section 6-129, or any provision of this Contract that implements Section 6-129, including, but not limited to any **M/WBE** Utilization Plan, Agency shall send a written notice to the Contractor describing the alleged noncompliance and offering the Contractor an opportunity to be heard. Agency shall then conduct an investigation to determine whether such Contractor or subcontractor is in compliance.

3. In the event that the Contractor has been found to have violated Section 6-129, the DSBS rules promulgated pursuant to Section 6-129, or any provision of this Contract that implements

Section 6-129, including, but not limited to, any **M/WBE** Utilization Plan, Agency may determine that one of the following actions should be taken:

(a) entering into an agreement with the Contractor allowing the Contractor to cure the violation;

(b) revoking the Contractor's pre-qualification to bid or make proposals for future contracts;

(c) making a finding that the Contractor is in default of the Contract;

(d) terminating the Contract;

(e) declaring the Contractor to be in breach of Contract;

(f) withholding payment or reimbursement;

(g) determining not to renew the Contract;

(h) assessing actual and consequential damages;

(i) assessing liquidated damages or reducing fees, provided that liquidated damages may be based on amounts representing costs of delays in carrying out the purposes of the M/WBE Program, or in meeting the purposes of the Contract, the costs of meeting utilization goals through additional procurements, the administrative costs of investigation and enforcement, or other factors set forth in the Contract;

(j) exercising rights under the Contract to procure goods, services or construction from another contractor and charge the cost of such contract to the Contractor that has been found to be in noncompliance; or

(k) taking any other appropriate remedy.

4. If an **M/WBE** Utilization Plan has been submitted, and pursuant to this Article II, Section 3, the Contractor has been found to have failed to fulfill its **Participation Goals** contained in its **M/WBE** Utilization Plan or the **Participation Goals** as modified by Agency pursuant to Article I, Part A, Section 11, Agency may assess liquidated damages in the amount of ten percent (10%) of the difference between the dollar amount of work required to be awarded to MBE and/or WBE firms to meet the **Participation Goals** and the dollar amount the Contractor actually awarded and paid, and/or credited, to MBE and/or WBE firms. In view of the difficulty of accurately ascertaining the loss which the City will suffer by reason of Contractor's failure to meet the **Participation Goals**, the foregoing amount is hereby fixed and agreed as the liquidated damages that the City will suffer by reason of such failure, and not as a penalty. Agency may deduct and retain out of any monies which may become due under this Contract the amount of any such liquidated damages; and in case the amount which may become due under this Contract shall be less than the amount of liquidated damages suffered by the City, the Contractor shall be liable to pay the difference.

5. Whenever Agency has reason to believe that an MBE and/or WBE is not qualified for certification, or is participating in a contract in a manner that does not serve a commercially useful function (as defined in Section 6-129(c)(8)), or has violated any provision of Section 6-129, Agency shall notify the Commissioner of DSBS who shall determine whether the certification of such business enterprise should be revoked.

6. Statements made in any instrument submitted to Agency pursuant to Section 6-129 shall be submitted under penalty of perjury and any false or misleading statement or omission shall be grounds for the application of any applicable criminal and/or civil penalties for perjury. The making of a false or fraudulent statement by an MBE and/or WBE in any instrument submitted pursuant to Section 6-129 shall, in addition, be grounds for revocation of its certification.

7. The Contractor's record in implementing its **M/WBE** Utilization Plan shall be a factor in the evaluation of its performance. Whenever Agency determines that a Contractor's compliance with an **M/WBE** Utilization Plan has been unsatisfactory, Agency shall, after consultation with the City Chief Procurement Officer, file an advice of caution form for inclusion in VENDEX as caution data.

NYC Mayor's Office of Contract Services

Part 2: M/WBE Participation Plan

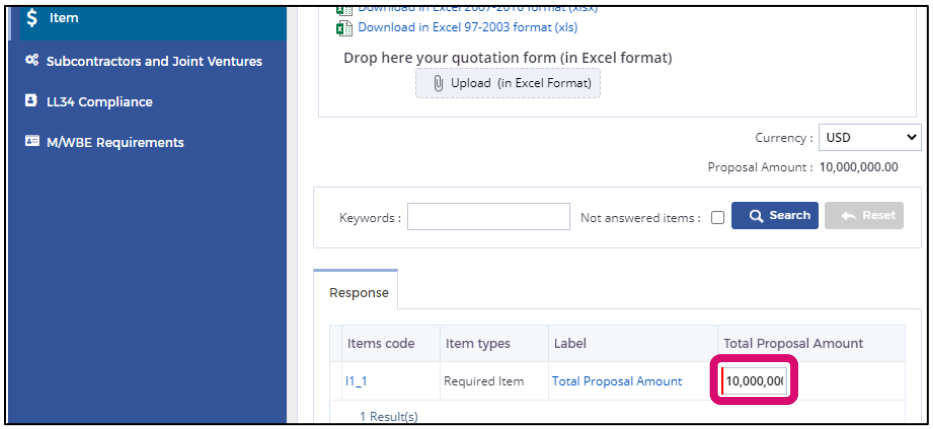

The M/WBE Participation Goals are found in both the M/WBE Requirements tab and the Subcontractors and Joint Ventures tab of your RFx (Solicitation) response in PASSPort. Please follow the instructions below to review an RFx's M/WBE Participation Goals and **enter** information in PASSPort to meet these goals. Please refer to the Local Law 1 Notice to All Prospective Contractors for additional information about the M/WBE program related to this solicitation.

1. Log in to PASSPort and click the **pencil icon** to access the RFx.

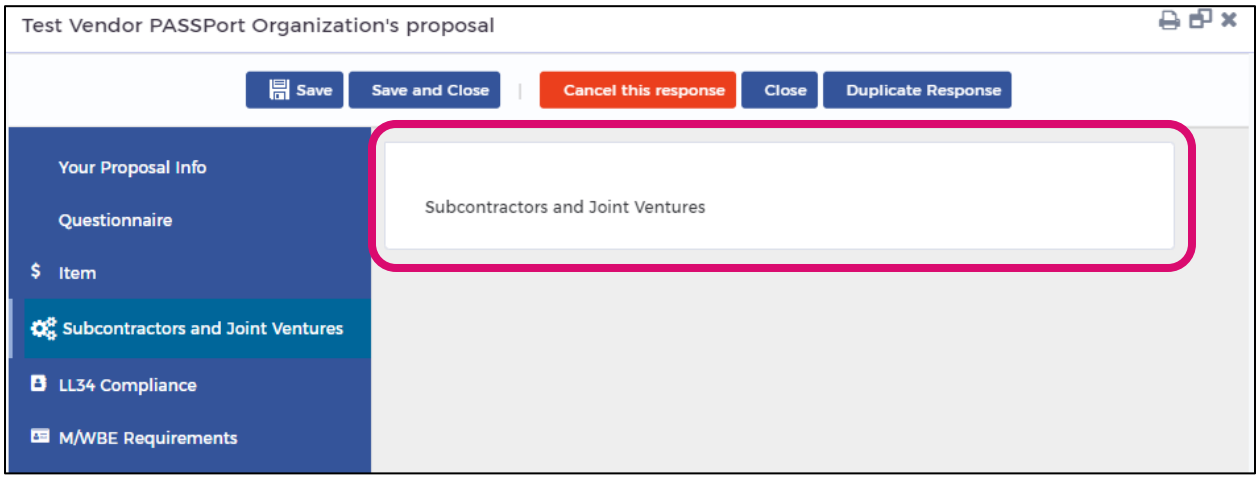

2. Click the **Manage Responses** tab of the RFx and click the **pencil icon** to access your in progress response.

3. Complete all the required sections in the Your Proposal Info, Questionnaire, Item, LL34 Compliance (if required) and all other relevant tabs in your Response.

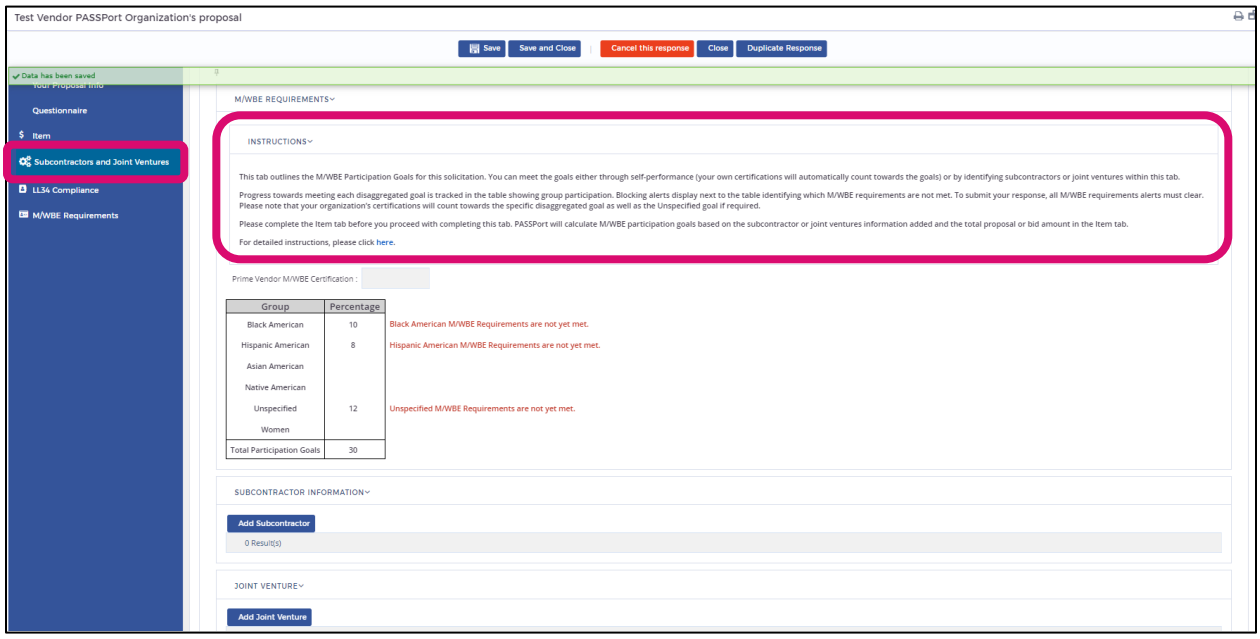

4. Be sure to complete the **Item** tab before the Subcontractors and Joint Ventures tab. Enter the **Proposal Amount** (or Bid Amount) and click **Save**.

5. To identify your M/WBE subcontractors and joint ventures, click the **Subcontractors and Joint Ventures** tab and click the white box with the Subcontractors and Joint Venture text.

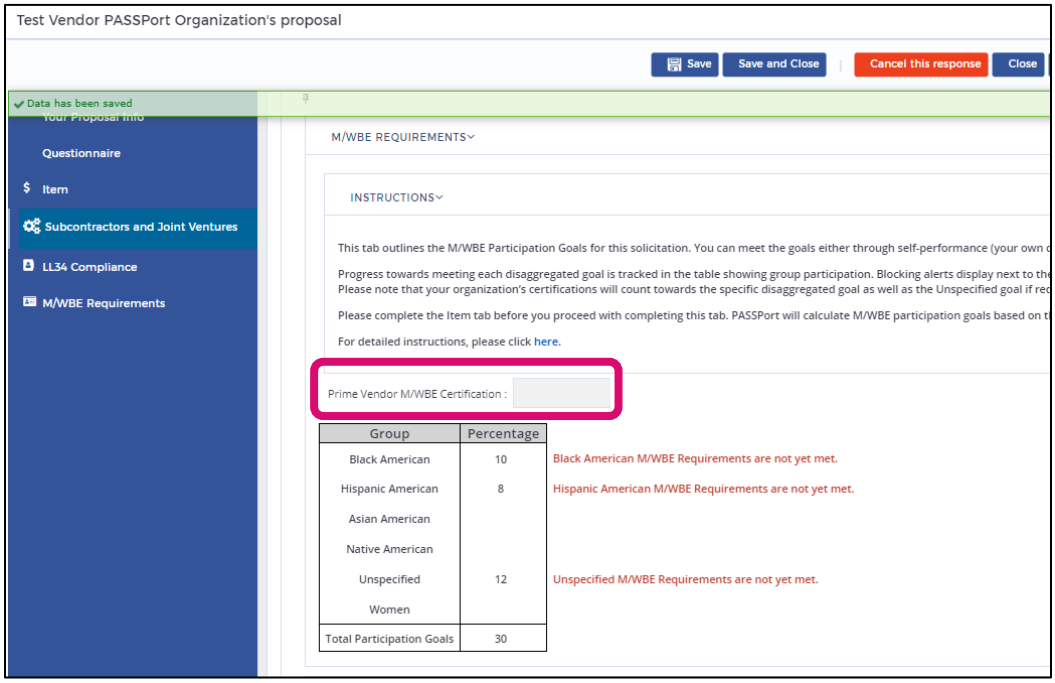

6. Read the instructions in the M/WBE Requirements section of this tab.

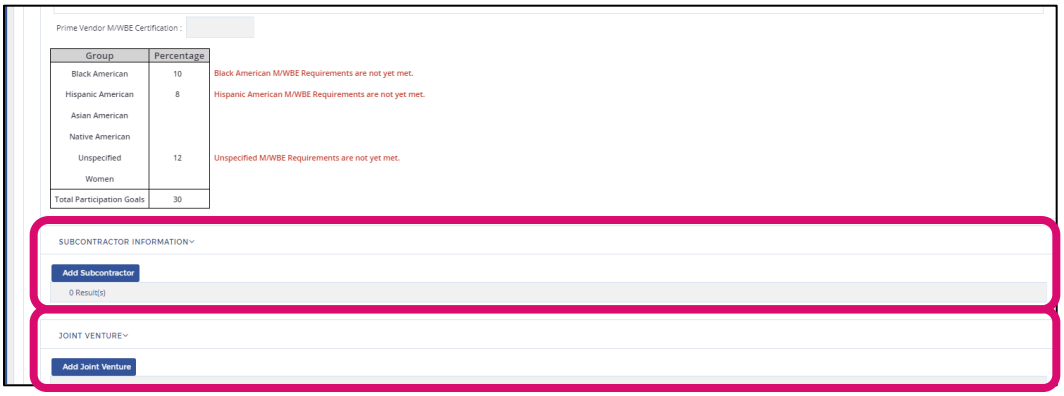

7. Your own organization's M/WBE certifications count towards the Total Participation Goals and automatically display in the field directly below the Instructions labeled as **Prime Vendor M/WBE Certification**. Any M/WBE participation goals that remain unmet are highlighted with red text alerts displaying to the right of the M/WBE Participation Goals table.

   In this example, the Prime Vendor does not have any M/WBE Certifications displaying (the field is blank) and thus still needs to meet the requirements as indicated.

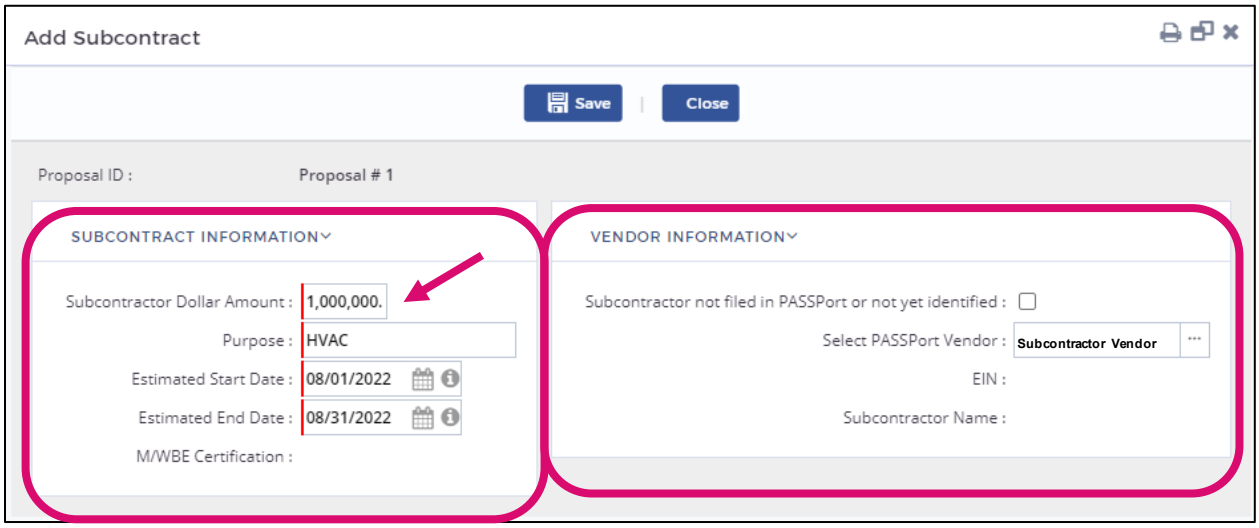

8. Any participation goal(s) your organization cannot meet through its own certification(s), must be met by identifying subcontractors and/or joint ventures with the required certifications in the **Subcontractor Information** and **Joint Venture** sections of the Subcontractors and Joint Ventures tab.

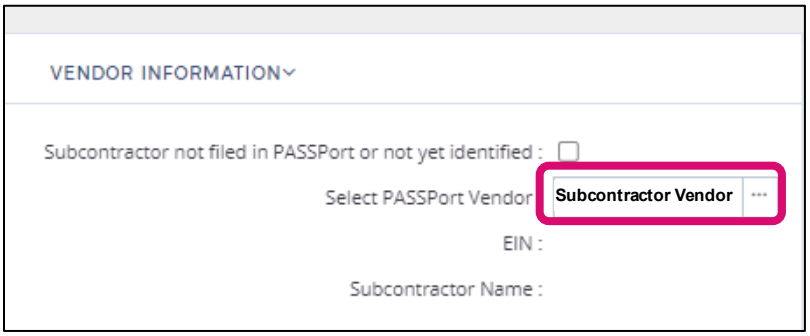

9. To add a subcontractor, click the **Add Subcontractor** button.

10. In the Add Subcontract window, complete all the fields in both the **Subcontract Information** and **Vendor Information** sections.
    Note, the **Subcontractor Dollar Amount** value entered will be calculated against the total Proposal Amount in the Item tab to determine the percentage towards your M/WBE Goal Participation for this RFx.

    In this example, $1 million is allocated to the **Subcontractor Dollar Amount** which is 10% of the Proposal Amount (in the Item tab) and can count towards a Participation Goal if the subcontractor is M/WBE Certified in one of the specified goals.

11. To identify a specific M/WBE certified PASSPort Vendor, type the subcontracting vendor name in the **Select PASSPort Vendor** field or click the ellipsis to search for and select the vendor. Click **Save**.

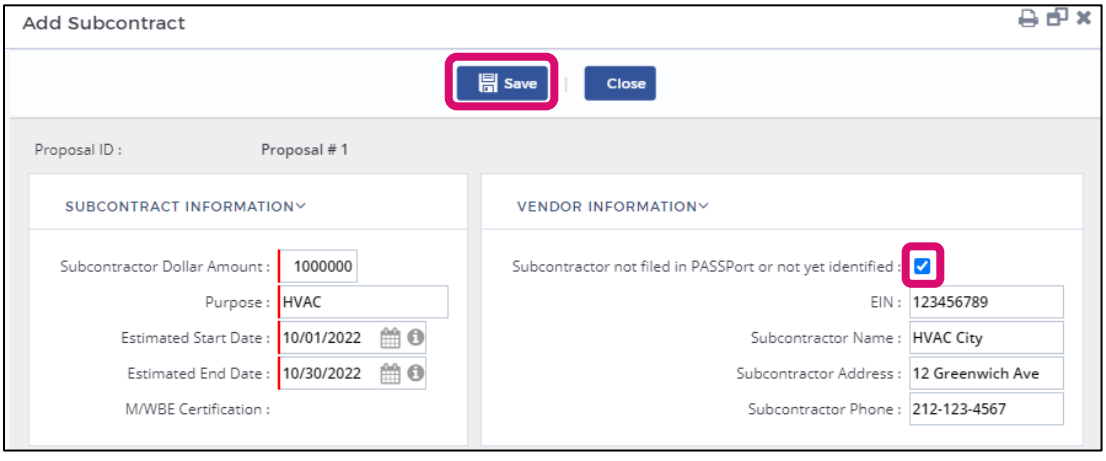

12. Choose the relevant **M/WBE Certification** from the drop-down in the Subcontract Information section of the Add Subcontract screen. Click **Save** and then click **Close** to return to the Subcontractors and Joint Ventures tab.

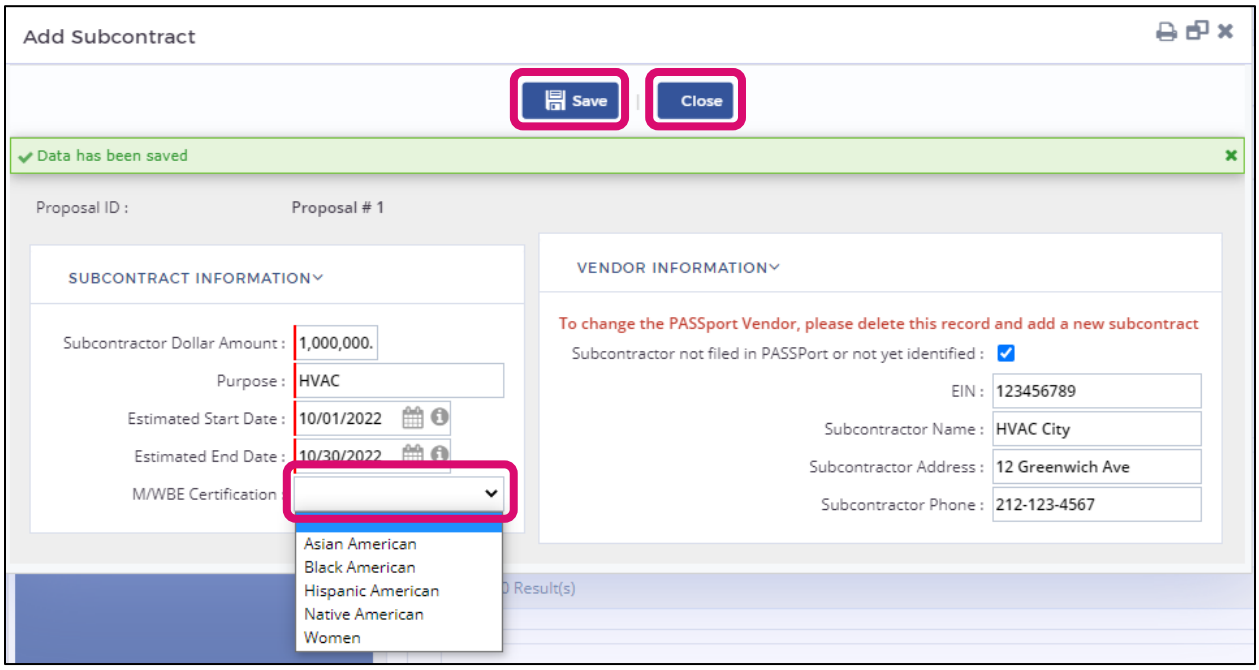

13. If the **Subcontractor is not Filed in PASSPort or not yet identified** (to be determined), click the corresponding checkbox in the Add Subcontract pop-up window. Be sure to complete all relevant fields in each section and click **Save**. The example below reflects scenarios 1 or 2.

    Scenarios to click this checkbox:

    1: If the subcontractor has a PASSPort account, but their PASSPort Vendor Status is not Filed.
    2: If the subcontractor does not have a PASSPort account.
    3: A specific subcontractor was not yet identified by your organization, and this serves as a placeholder to meet a specific participation goal.

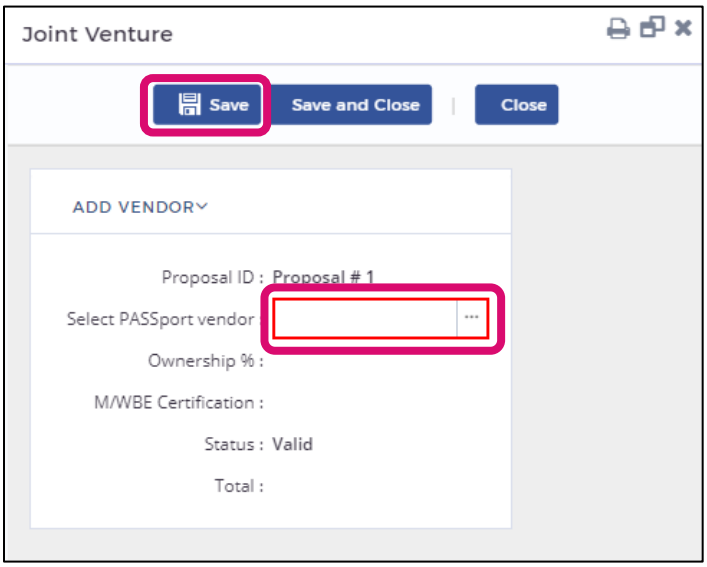

14. Choose the applicable **M/WBE Certification** from the drop-down to meet the corresponding Participation Goal for the subcontractor. Click **Save** and then **Close** to return to the Subcontractors and Joint Ventures tab.

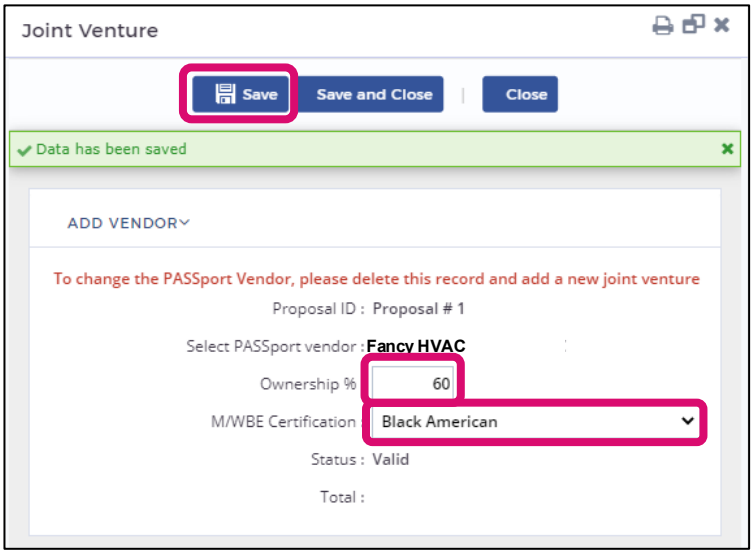

15. If you are submitting on behalf of a joint venture, click **Add Joint Venture** in the Subcontractors and Joint Ventures tab.

16. To identify a specific M/WBE certified PASSPort Vendor, type the vendor name of the joint venture partner entity in the **Select PASSPort Vendor** field or click the **ellipsis** to search for and select the vendor. Click **Save**.

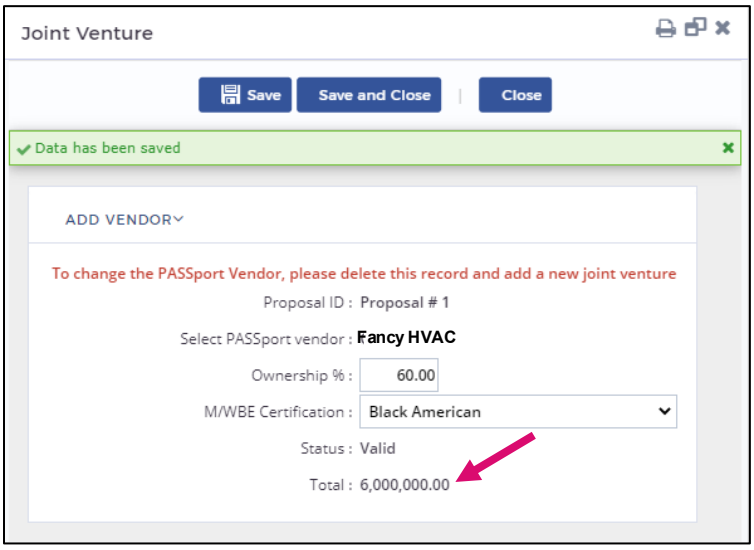

17. Complete the **remaining fields** in the Add Vendor section of the Joint Venture pop-up and click **Save**.

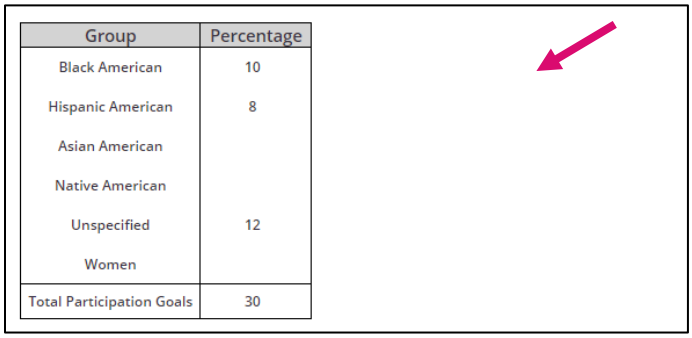

18. PASSPort automatically populates the **Total** amount covered by the joint venture based on the Ownership % entered compared to the Proposal Amount (see Item tab).

    In this example, the joint venture partner entity selected has 60% ownership which calculates here to equal $6 million in total of the full $10 million Proposal Amount.

19. Once participation goals are met and all alerts are addressed, the alerts will disappear from the tab.

Group	Percentage
Black American	10
Hispanic American	8
Asian American	
Native American	
Unspecified	12
Women	
Total Participation Goals	30

For vendors with **multiple M/WBE certifications,** please note that only one certification can be entered at a time. To add an additional certification, please repeat the Add Subcontractor or Add Joint Venture steps to meet additional participation goals.

If any information entered requires updating in an added Subcontractor or Joint Venture record, delete the record by clicking the **trash icon** and add it again with the updated information.

Part 3: Submitting a Request for Waiver of M/WBE Participation Requirement

Please review the instructions to submit a request for waiver of the M/WBE participation requirement. A copy of the blank form (3 pages) can be found at the end of this document with the linked Vendor Contract History Excel template on the first page of the form.

EFT/Direct Deposit Quick Start Guide

EFT/Direct Deposit Quick Start Guide

Vendors who want to direct NYC payments from FMS to a single bank account can enroll in EFT/Direct Deposit using the Payee Information Portal (PIP)

This guide provides the steps to set up a single bank account for vendor payments to be made with Electronic Funds Transfer (EFT)/Direct Deposit from the New York City Financial Management System (FMS). The EFT/Direct Deposit enrollment is done online at www.nyc.gov/PIP.

- If you already have a PIP User ID and password, you can login to PIP and proceed to add or change your bank account information.
- If you are a **new** vendor doing business with the City of New York, you can create a new PIP account and vendor code, and then add your bank account information for EFT immediately.

NOTE – Contact the City of New York's Department of Finance (DOF) directly at VendorEFT@Finance.nyc.gov instead of using the PIP EFT enrollment features if:

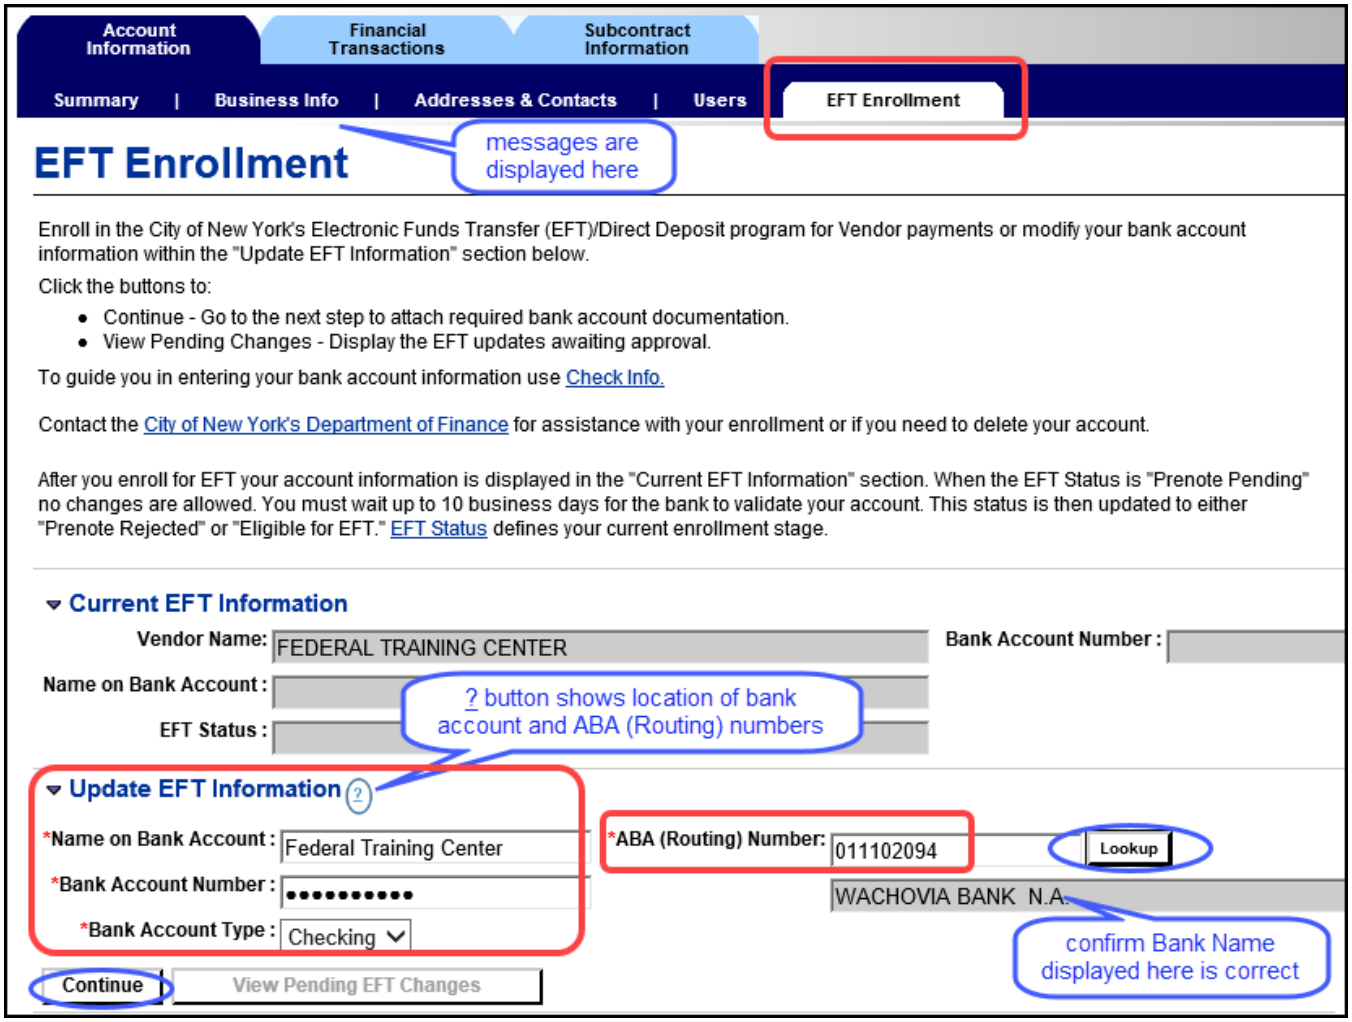

- **you have multiple bank accounts to be enrolled**
- **you want to delete the EFT bank account**
- **your business is a non-US business entity (foreign vendors)**

For enrollment you need the following information, preferably from one of your checks:

- Name on your Bank Account
- ABA (Routing) Number
- Your Bank Account Number and Type (checking or savings)
- At least one of the following documents, in electronic file format on your computer, to attach to the PIP enrollment submission.
  - Copy of voided check imprinted with vendor name
  - Current bank statement
  - Letter from your bank

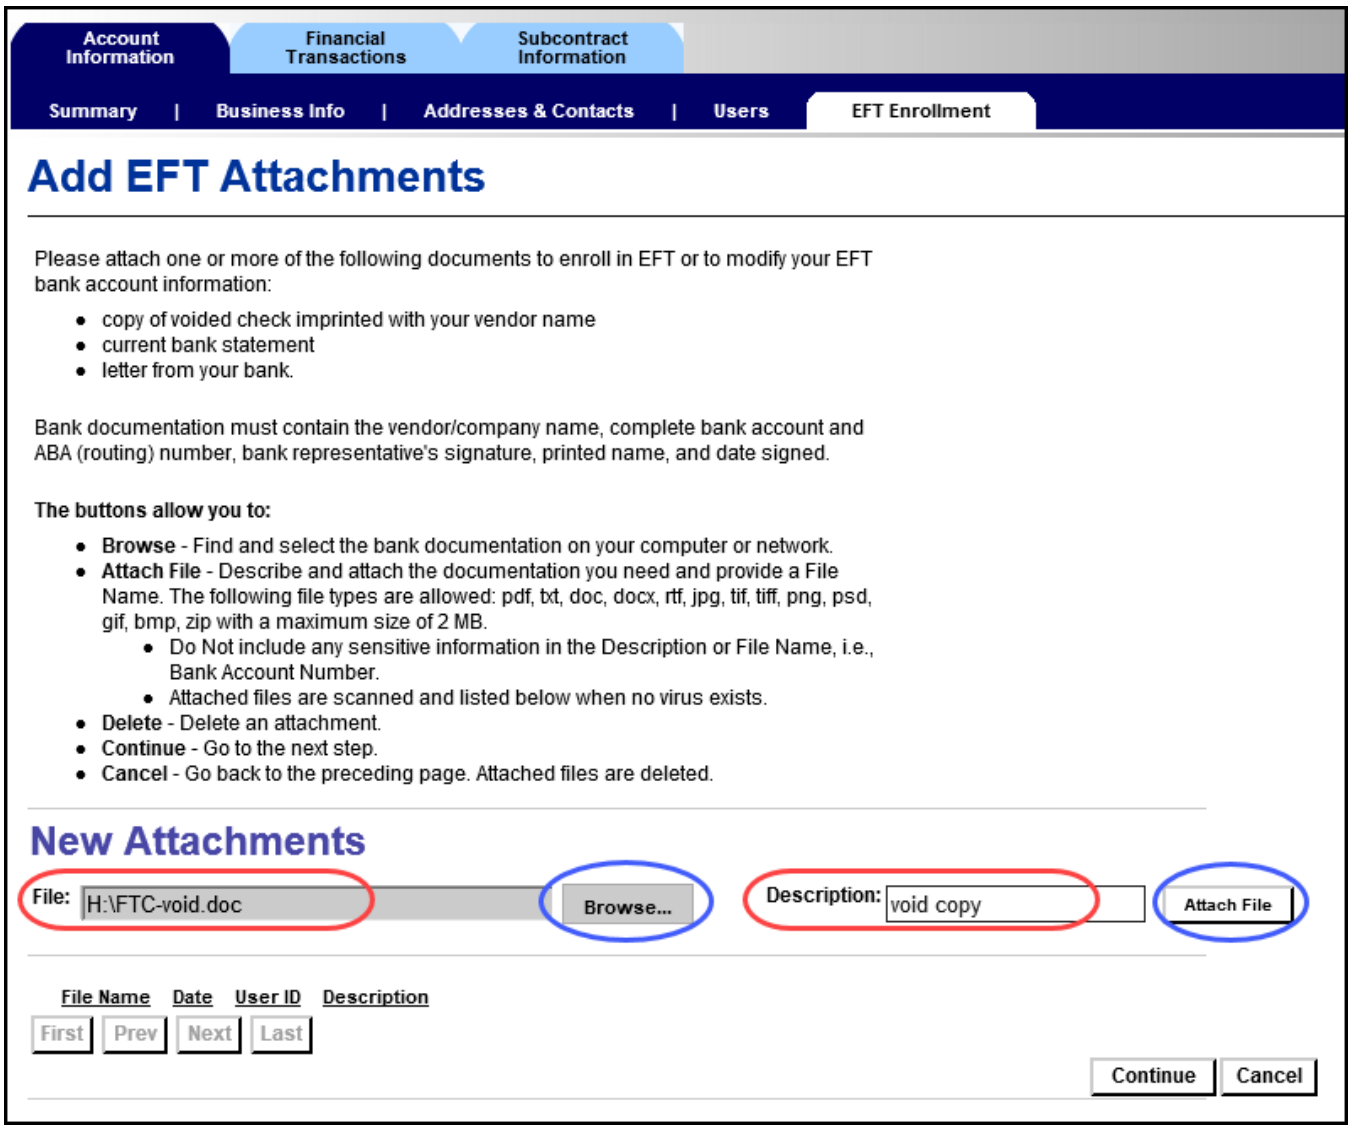

NOTE - The following attachment file types are allowed: pdf, txt, doc, docx, rtf, jpg, tif, tiff, png, psd, gif, bmp, and zip, with a maximum size of 2 MB each file. The File Name can contain the dash or underscore, but should not contain other special characters. Do not include any sensitive information in the Description or File Name, i.e., Bank Account Number.

1. Open the PIP home page, www.nyc.gov/pip and login.
2. Go to the ***EFT Enrollment*** tab.

In the **<u>Update EFT Information</u>** section near the bottom of the screen:

3. Enter *Name on Bank Account*, as it appears on your check or statement.
4. Enter the *Bank Account Number*, as printed on your check or statement.
5. Select the *Bank Account Type* from the drop down list, Checking or Savings.
6. Enter the *ABA (Routing) Number*, as printed on your check.
7. Click the ***Lookup*** button to display the bank name below your entry.
8. Confirm the *bank name* is correct. NOTE: If the bank name isn't displayed, a message at the top of the page explains the error. Verify your entry against your check.
9. Click the ***Continue*** button to attach your documentation.

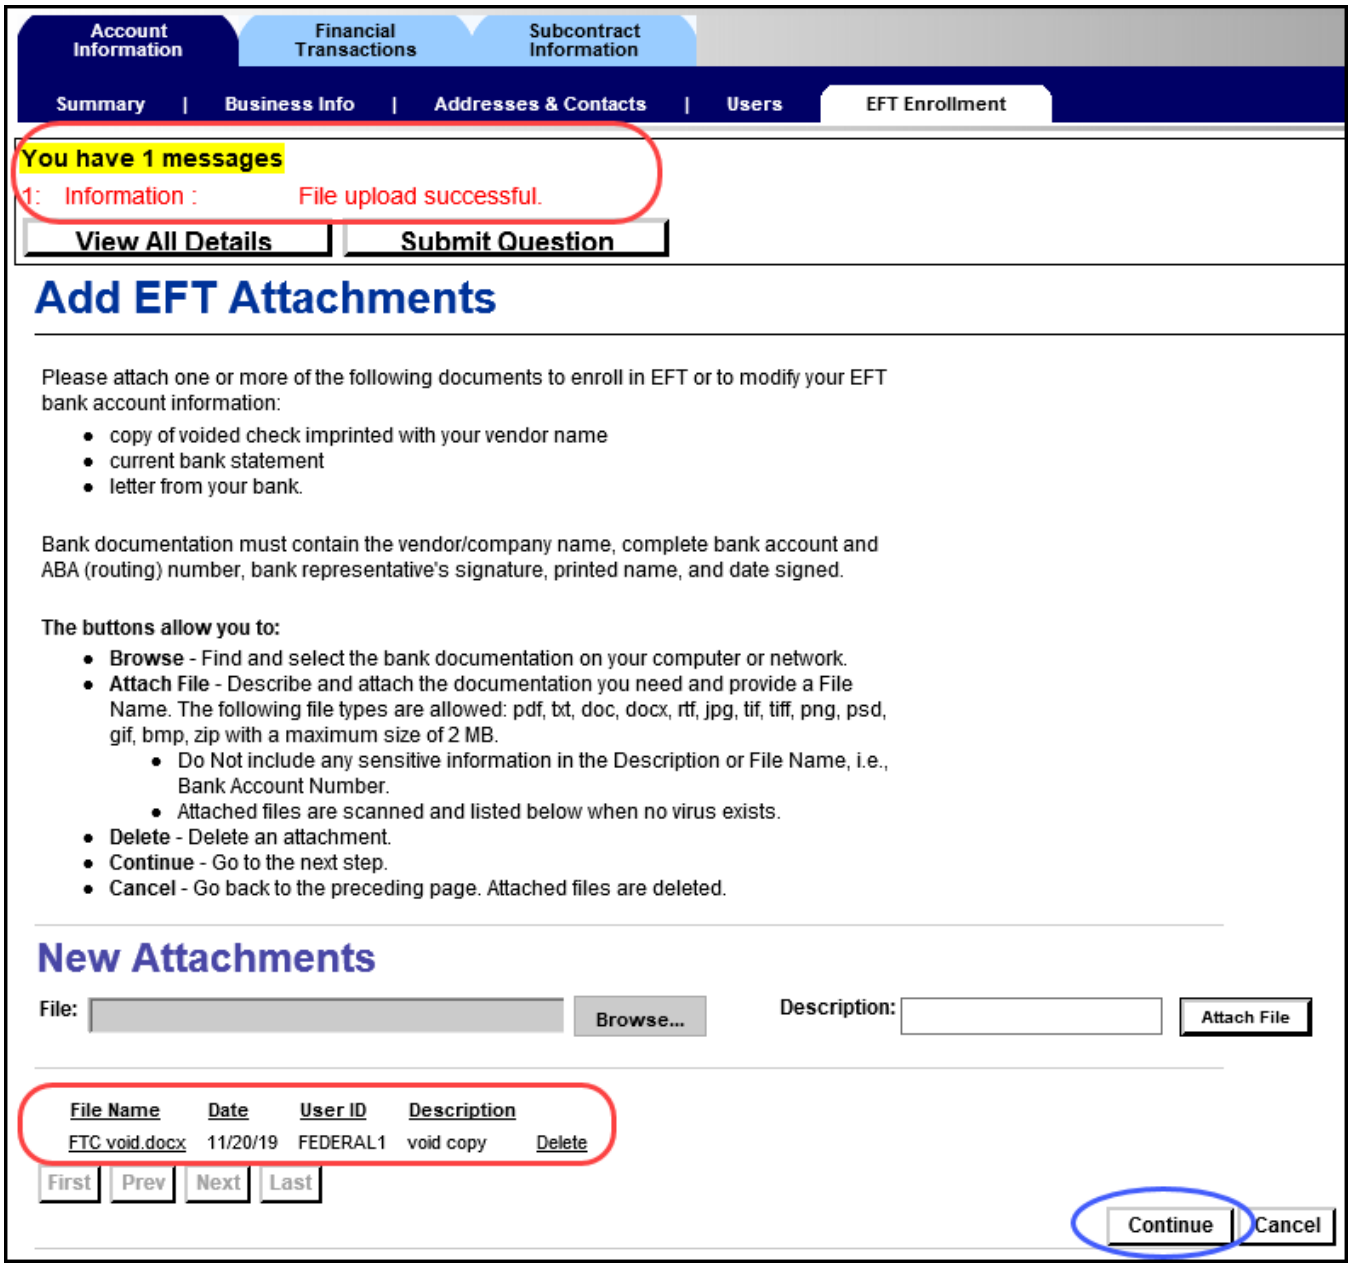

1. Click the ***Browse*** button to find your bank documentation on your computer.
2. When the **Choose File to Upload** window opens, find the file you need to attach and select it. The selected file name displays in the **File:** box next to the Browse button.
3. You have an option to enter a *Description* of the file.
4. Click the ***Attach File*** button.

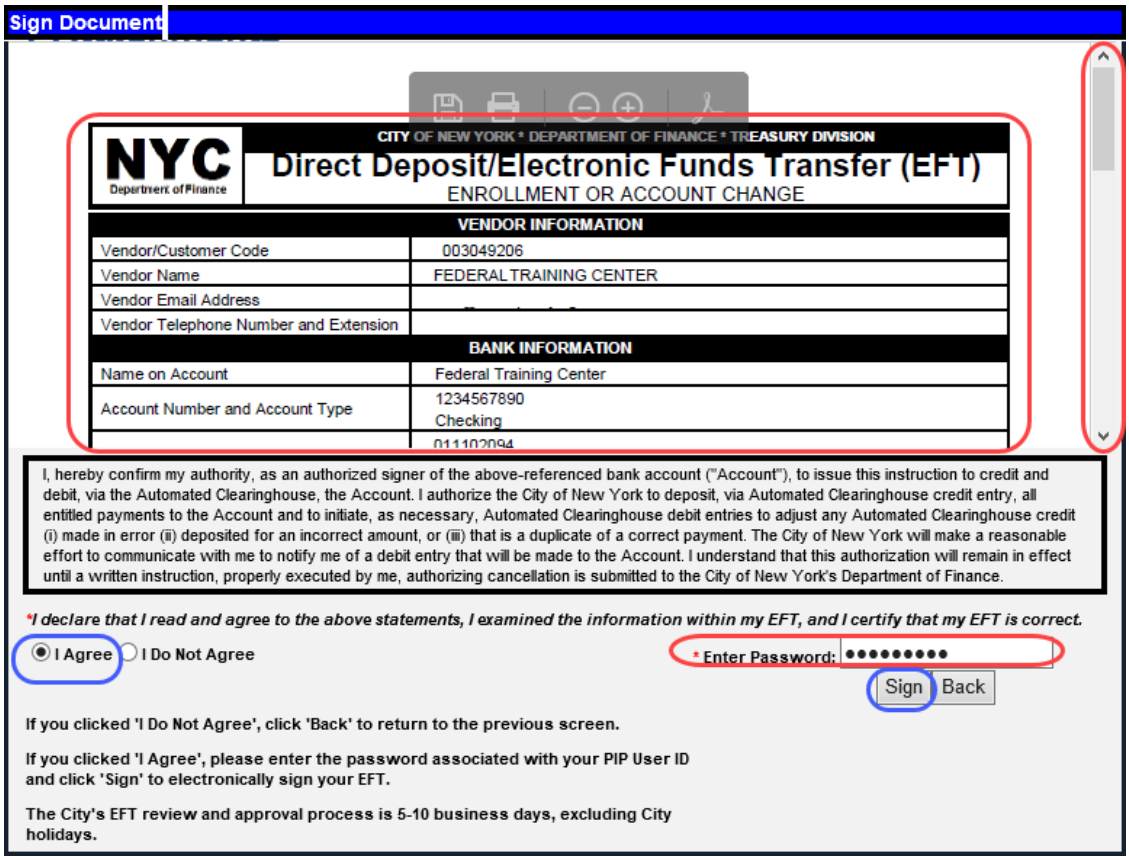

A message at the top of the page indicates that your file uploaded successfully. The file you attach successfully is displayed below. If it doesn't upload, the message will contain the explanation.

Files must be attached one at a time to be scanned for viruses; there is no limit to the number. If you have another file to attach, repeat steps 1-4 above.

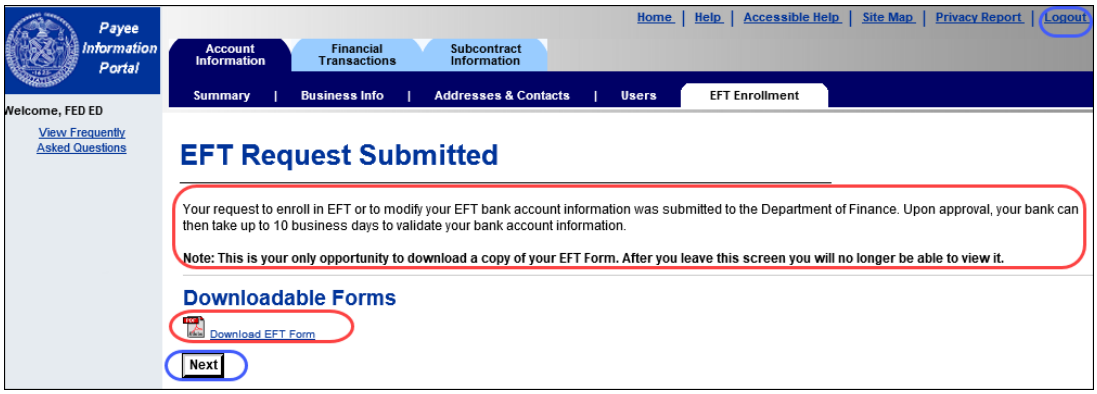

5. Click the ***Continue*** button to review and electronically sign the Direct Deposit/Electronic Funds Transfer (EFT) form.

A form is displayed with the bank information you entered. Carefully review it for accuracy.

1. Select ***I agree*** on the form after reviewing the information and reading the terms.
2. *Enter your PIP Password* to electronically sign the form.
3. Click the ***Sign*** button to submit the form.

1. Click the ***Download EFT Form*** link to save and print the electronically signed EFT Form.
   NOTE: After you leave this page, you will no longer be able to view or save the form.

You have completed the EFT request process. Next steps are DOF review and bank validation.

2. Click the ***Next*** button if you see a need to update the EFT request on the same business day as submitted, or click ***Logout***.

Next Steps: You will receive an email from DOF (VendorEFT@Finance.nyc.gov) confirming the EFT enrollment form receipt. DOF reviews your EFT information to approve or reject it. You will receive a second email from DOF when the review is completed. If the EFT form is rejected, the explanation is included, and you can login to PIP again to submit correct information in the EFT Enrollment page, or contact DOF directly at VendorEFT@Finance.nyc.gov.

NOTE: You can see your submitted bank information (View Pending EFT Changes) until DOF completes their review, but can ONLY update the bank information on the same business day it was submitted.

1. From the **EFT Enrollment** page, click the **View Pending Changes** button to view or update information.

On the **View Pending EFT Changes** page, you will see the entries you submitted.

2. Click the ***Update EFT Pending Changes*** button to make changes and re-submit.
   NOTE: the *Update EFT Pending Changes* button is disabled the day after you submit your EFT request.
3. If no changes are needed, go **Back** or ***Logout***.

BANK VALIDATION: When DOF approves your application, it is routed to your bank for validation, which can take up to 10 business days. You can check the progress in the PIP Account Summary page, or EFT Enrollment page, *Current EFT Information* section, ***EFT Status*** as follows:

- *Prenote Pending* – Vendor EFT Enrollment information is awaiting bank account validation.
- *Prenote Rejected* – The bank rejected your Vendor EFT enrollment application.
- *Eligible for EFT* – Payments will be made via EFT.
- *Not Eligible for EFT* – The bank rejected a City of New York payment to your bank account. You can check with your bank to see why it was rejected.
- *EFT Hold* – The City of New York placed a hold on your EFT enrollment.

If you have any questions about your EFT account, contact DOF directly at VendorEFT@Finance.nyc.gov.
