GI-PSE DESIGN 1-3
Pre-Proposal Conference

Task Order Contract for Design Services for Green Infrastructure

Design of Green Infrastructure at various New York City Parks and NYC DOT owned street ends, Citywide

October 28, 2026

NYC Environmental Protection

Agenda

1. Safety Moment
2. Introductions
3. RFP Information
4. Diversity
5. EHS Requirements
6. NYC Community Hiring and MWBE
7. Project
9. Design Scope of Work
10. Challenges
11. Contract Administration & Project Milestone Schedule
12. PASSPort

NYC Environmental Protection

Safety Moment: Ventilation

- Construction work can cause contaminants to dislodge into the air.
- Example of contaminants include dust (silica), Fibers (Asbestos), fumes, mists, vapors, gases.
  - Method of entry: breathing, unintentional eating, skin absorption
- Health hazards: short-term or long-term respiratory problems, headaches, skin issues, digestive, extended exposure can result in severe illness or death.
- Ventilation controls include exhaust fans, jets, ducts, hoods, separators and more. Use respirators when appropriate
- Other protective measures include monitoring, awareness, PPE, and following good work practices

NYC Environmental Protection

Introductions

Agency Chief Contracting Office

- Vanessa Soto, RFP Administrator

BEPA Environmental Health & Safety

- Tarek Ahmed, EHS Director

Bureau of Environmental Planning & Analysis

- John McLaughlin, Managing Director
- Eric Malone, Ecological Services Project Manager
- Saidan Qi, Project Manager
- Cathy Hollingsworth, Project Manager
- Lemon Zhao, Project Manager

NYC Environmental Protection

RFP Information

NYC Environmental Protection

RFx Information

- This Request for Proposal (RFx) is being released through PASSPort Procurement and Sourcing Solutions Portal, New York City's online procurement portal.
- Proposals must be submitted via PASSPort Procurement and Sourcing Solutions Portal.
- All questions and requests for additional information concerning this RFx must be submitted via PASSPort Procurement and Sourcing Solutions Portal.
- For help with PASSPort Procurement and Sourcing Solutions Portal, please contact MOCS at https://mocssupport.atlassian.net/servicedesk/customer/portal/

NYC Environmental Protection

RFx Information

- Release Date: October 21, 2026
- Pre-Proposal Conference: October 28, 2026
  10:00am
- Questions Due: November 4, 2026
- Responses Due: November 18, 2026

NYC Environmental Protection

Local Law 1 M/WBE Program

❖ Local Law 1 (LL-1): New York City M/WBE Program

The following M/WBE Participation Goals have been established for this contract

- 30% Total M/WBE participation requirement
  - 5% Hispanic American
  - 25% Unspecified

- M/WBE firms must be certified by NYC Small Business Services. A directory of City Certified Firms is available on SBS website at www.nyc.gov/buycertified

- PASSPort will now require information related to the MWBE requirements to be submitted along with the bid/proposal. Additionally, there is a new Schedule B document. The revised Schedule B provides detail about how to enter the required information into PASSPort.

- The Contractor will be required to submit Quarterly M/WBE reports and Initial/Annual List of Subcontractors for compliance reporting in order to track progress towards meeting the goal

Local Law 1 M/WBE Program

- The Contractor should also continue good faith efforts to seek opportunities for M/WBE participation during the life of the contract even if proposed M/WBE goals have been achieved
- Note that under the City's M/WBE Program, suppliers do not count towards a Prime's M/WBE Utilization
- Prime contractors that do not comply with LL-1 M/WBE goals on this contract are subject to penalties including but not limited to liquidated damages and a poor performance evaluation in PASSPort
- Good Faith Efforts to subcontract work to M/WBEs will be required for all subcontractor approval requests of non-M/WBE subs

Diversity

DEP is commitment to valuing diversity and maintaining an inclusive work environment for all New York City employees and its contractors.

It is through the inclusion of our diversity of thought, experience, culture, and background that we do our best work.

New York City's EEO Policy provides an opportunity for employees and applicants for employment to file discrimination complaints and protects them from retaliation.

The City's EEO Policy applies to anyone in the workplace. Complaints can be filed against a senior level staff member, a manager, supervisor, or a co-worker. A complaint can also be made about the discriminatory conduct of a person a DEP employee comes in contact with who is not an employee of the Agency, such as a consultant, or vendor.

Diversity

Anyone who feels that they has been discriminated against (including harassment) on the basis on actual or perceived:

- Race
- Color
- national origin
- alienage
- citizenship status
- religion or creed
- gender/gender identity
- appearance (behavior or expression, whether or not different from that traditionally associated with the legal sex assigned to the person at birth)
- disability
- age (18 and over)
- military status
- prior record of arrest or conviction
- marital status
- partnership status
- genetic information or predisposing genetic characteristic
- sexual orientation
- status as a victim or witness of domestic violence
- sex offenses or stalking
- unemployment status

To file a EEO Complaint

NYC COMMUNITY HIRING

NYC Office of Community Hiring | NYC Talent and Workforce Development

Community Hiring Overview

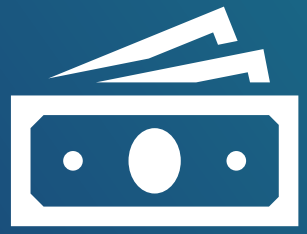

Community Hiring allows City agencies to include **workforce goals in their procurement contracts for vendors to provide employment and apprenticeship opportunities** to low-income individuals and those living in low-income communities.

The Office of Community Hiring's mission is to **leverage the City's purchasing power to drive economic mobility** by connecting City vendors with a pipeline of talent and creating pathways to careers for our community.

NYC Office of Community Hiring

Income-Based Community Hires

An individual with an income that falls below 300% of the federal poverty guidelines

For professional services, human services, and standard services, the Community Hiring Goal is to employ one **Income-Based Community Hire** for every $500K in contract value

The Federal Poverty Guidelines is updated every year in the Federal Register by the U.S. Dept of Health and Human Services (HHS)

300% of the 2026 Federal Poverty Guidelines

Household/Family Size	Dollars Per Year
1	$47,880
2	$64,920
3	$81,960
4	$99,000
5	$116,040
6	$133,080
7	$150,120
8	$167,160

Source: *U.S. Department of Health and Human Services (HHS), Office of the Assistant Secretary for Planning and Evaluation, 2026*

NYC Office of Community Hiring

Community Hiring Goal
Professional Services

Vendors must make best efforts to employ **Income-Based Community Hires*** to meet the goal

Hire **1 Income-Based Community Hire for every $500K** in cumulative contract value

* "**Income-Based Community Hire**" means an individual with an individual or household income that falls below 300% of the federal poverty guidelines

NYC Office of Community Hiring

Vendor Responsibilities

The Vendor awarded a contract subject to Community Hiring agrees to comply with the requirements set forth in the Community Hiring Rules

The awarded Vendor, among other things, must:

- ✓ **Agree** to make best efforts to meet the Community Hiring Goal
- ✓ **Require** subcontractors, if any, to agree to make best efforts to help meet the prime's Community Hiring Goal
- ✓ **Publicly disclose** Employment Opportunities, unless work is subject to PLA
- ✓ **Notify** Referral Sources (union referrals) or Apprenticeship Programs of the goals and any vacancies to be filled by Residence-Based Community Hires
- ✓ **Enroll** in an electronic system designated by OCH
- ✓ **Monitor and document** compliance with Community Hiring

Referral Sources

Entity authorized to refer Community Hires to Vendors for purposes of filling employment needs and meeting Community Hiring Goals

Who Can Be a Referral Source?

Agencies that directly refer jobseekers to City vendors

City Vendors contracted for employment recruitment or workforce development services

Union Referral Systems

Entities selected through an OCH solicitation to connect Community Hire jobseekers to City vendors

Referral Source Responsibilities

Identify and certify jobseekers as Community Hires

Provide employment recruitment or workforce development services at no cost to Community Hires

Partner with City vendors to help fill their employment needs

Maintain records of certifications and services provided

OCH Responsibilities

Identify criteria for finding qualified entities to function as Referral Sources

Authorize in writing the approval of Referral Sources

Publish directory of Referral Sources on OCH website

Monitor performance of Referral Sources

How Is "Best Efforts" Determined?

Factors Considered:

- ✓ Review Community Hires' qualifications
- ✓ Advertise Employment Opportunities, as applicable
- ✓ Coordinate with Referral Sources or apprenticeship programs
- ✓ Review and organize work under the contract to eliminate obstacles to meeting the goal
- ✓ Monitor and document the Vendor's efforts
- ✓ Contact Office of Community Hiring
- ✓ Take all other commercially reasonable actions to meet the goal

Factors Not Considered:

- x Undertake undue financial burden
- x Terminate or reduce work levels of existing employees
- x Extend job offer to individuals whose labor is not commercially useful
- x Forgo requesting, employing or hiring individuals or assigning individuals to perform Construction Work in accordance with an agreement with a Referral Source to which the Vendor is a signatory

NYC Office of Community Hiring

Reporting & Compliance

- Enroll in the designated electronic tracking system
- Use Referral Sources to connect with job seekers
- OCH will monitor compliance and report on progress towards goals across all contracts subject to Community Hiring
- Maintain records for at least 6 years

NYC Office of Community Hiring

Vendor Non-Compliance

1. **Demonstration of Best Efforts**. Vendors who do not meet the Community Hiring Goal must provide documentation demonstrating best efforts to meet it

2. **Non-Compliance Determination**. A notice of Non-Compliance will be issued to allow such Vendor to respond within 45 days

3. **Corrective Action**. Where the non-compliance can be remedied, the Vendor may be required to:
    - Take a specific action proscribed by the City or
    - Submit a corrective action plan

4. **Final Determination.** The City makes the final determination assessing the civil penalty amount, if applicable

NYC Office of Community Hiring

Project Site

NYC Environmental Protection

Potential Park Locations

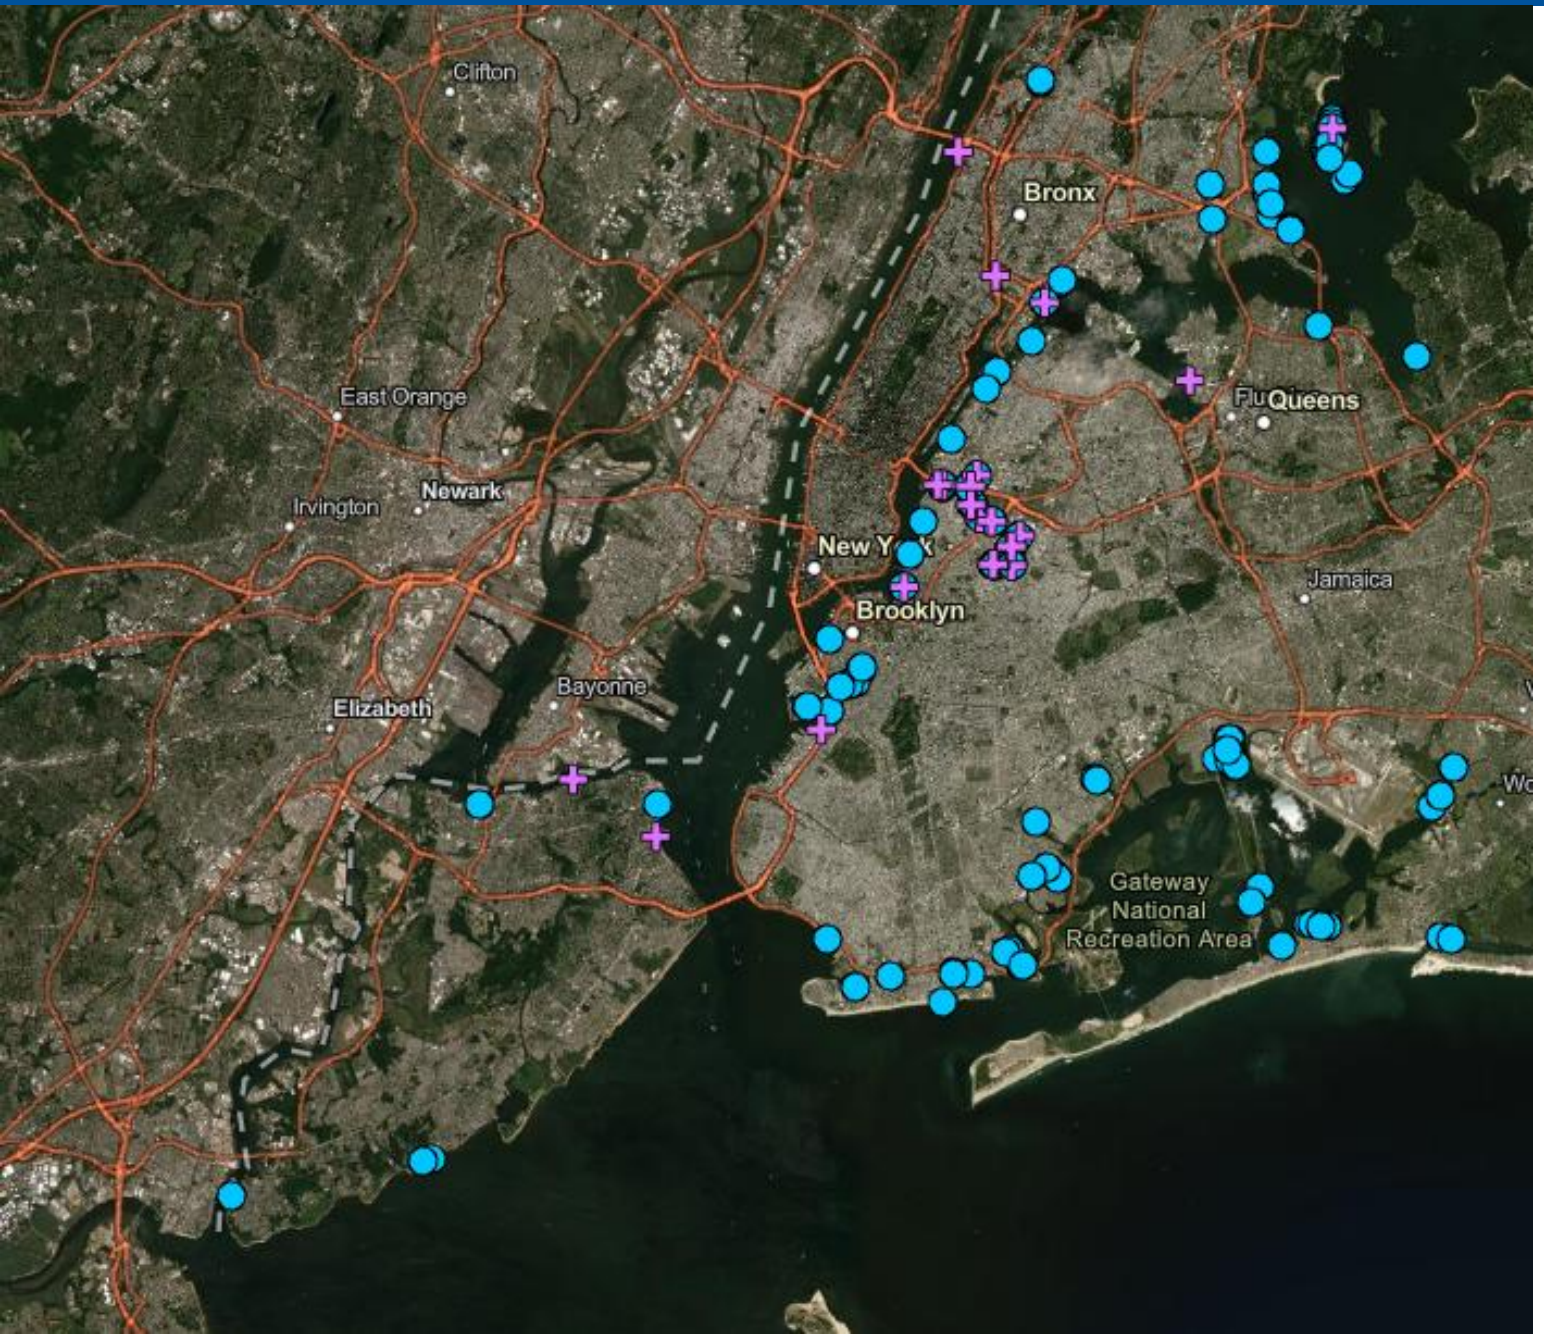

- Park Locations to be evaluated are in all Boroughs (sites >20,000 sq. ft. will be considered for Task Orders – does not imply all sites will be evaluated).

- Design costs for each location should be approximately 15% but should never exceed 20%.

- Consultant shall alert DEP if 50% of the approved budget is reached before substantial completion of designs.

Potential Street Ends

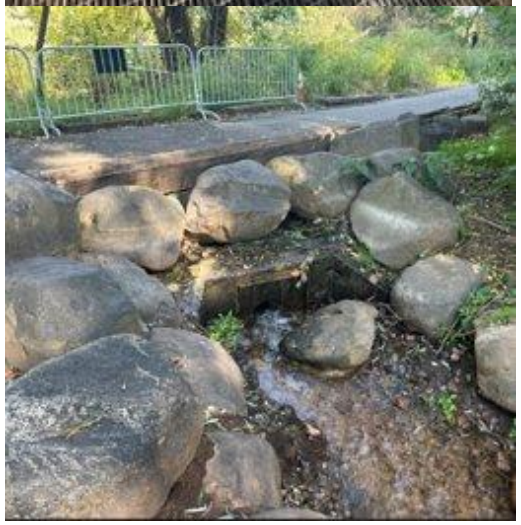

- In addition to green infrastructure installation at street level, work could also include in water green infrastructure (e.g., wetlands)
- Task Orders will be issued for select street ends

Oakland Lake/Ravine & Little Neck Bay Tidal Wetlands

Lake Enhancement/ Ecosystem Restoration

- Remove invasive vegetation and construct a wetland shelf along the perimeter of lake to improve habitat
- Retrofit Outlet Structure to manage additional out flow of Lake
- Improve water quality of the Lake and reduce nutrients

Ravine Restoration

- Divert storm flow to the Oakland Ravine system to reduce CSO volume to Alley Creek.
- Utilizes nature-based solutions to improve water quality, flow attenuation, and sediment capture.

Scope of Services

- Consultant shall provide the following (not a complete list, refer to contract Scope of Work for complete requirements):
    - **Project Planning**, including conducting Project kick-off meetings, providing monthly progress reports, conducting progress meetings, performing stakeholder coordination, preparing project management, performing permit management services, reviewing existing conditions, performing site evaluations, preparing project management plan(s), permit management services, reviewing existing conditions, performing site evaluations, and developing preliminary location plans and developing preliminary location plans;
    - **Design** services, including developing contract designs/specifications (30%, 75%, 90% and 100%), performing City Environmental Quality Reviews (if required) and developing Environmental Assessment Statements (if required), Developing Stormwater Pollution Prevention Plans (for Sediment and Erosion Control only) developing additional site selection, geotechnical investigations, engineer's estimate, Public Design Commission approval (if needed) and topographic, utility and vegetative surveys;
    - **Construction Procurement** services, including attending pre-bid conferences, preparing addenda, attending pre-award meetings, public outreach coordination evaluating construction contractor substitutions, developing conformed specifications and drawings, bid evaluation assistance, construction meetings and permit management.

Scope of Services (con’td)

- **Design Services During Construction** services, including conducting site visits, reviewing all construction contractor submittals, maintenance manuals, Change Order preparation, evaluating and responding to the Request for Information, and conducting construction project meetings;

- **Construction Close-out** services, including assisting DEP and Construction Manager in closing out of the contract, transfer all documents prepared and/or maintained by the Consultant to the CM and DEP. These documents include but are not limited to Original Contract Drawings, Original Contract Specifications, Original Addenda, Shop Drawing Logs, RFI/RFC Logs and Construction Close-out reports. The Closeout Report should include a Project Background, Contract Summary, Summary of Change Orders, Contract Duration, Summary of Project Budget, construction contract Status, and status of all construction contract deliverables.

Project Payment

- Salary increases within the Period of Performance are subject to approval of DEP, and shall be granted only once each calendar year; however, during the first year of the contract, DEP will allow firms to provide an additional salary increase to account for regularly scheduled salary increases that occurred between negotiation of this Contract and its subsequent registration.

- In no case shall the annual salary increase for any single employee billed to DEP be more than five percent (5%) or $3.00 per hour, whichever is greater.

- The first monthly invoice that is submitted to the Department by the Consultant subsequent to a salary adjustment must include a table containing:

    - the names of those employees of the Consultant or a Subconsultant billing hourly under the Contract;

    - the pre-adjustment hourly wage rates of those employees receiving an adjustment;

    - the post-adjustment hourly wages of those employees receiving an adjustment; and

    - the hourly wage rates of those employees not receiving an adjustment.

Project Assignments

- Assignments (i.e. Project Task Orders) will be made on an alternating basis with the other consultants selected under the RFP resulting in this Contract, hereinafter “rotational Consultant(s)”. The first assignment will be given to the rotational Consultant whose contract registers first and subsequent assignments will be made on an alternating basis among the remaining rotational Consultants based on contract registration dates.
- For each assignment, DEP will issue a written “Task Order Request” (TOR) to the Consultant. The Task Order Request will describe the nature and extent of the project, its scope, preliminary schedule, rough order of magnitude and a due date for the Consultant to submit to the Department a scope of work, schedule and fees as well as identification of key staff assignments and potential subconsultants. This submittal shall be referred to as the “Rotational Consultant’s Proposal”;
- The Consultant will submit two copies of its Rotational Consultant’s Proposal to DEP at the time specified in the Task Order Request;
- DEP shall review the Rotational Consultant’s Proposal and if necessary, within 7 days of receipt, conduct appropriate negotiations with the Consultant that result in a final Project Task Order;
- The final Project Task Order shall then be executed. DEP will then issue a Notice to Proceed; and
- The Consultant shall not be entitled to compensation for costs incurred in connection with the preparation of the Rotational Consultant’s Proposal or with the preparation of the final Project Task Order.

Project Challenges

- Green Infrastructure Consent order project
- Use of vegetation should be considered first where appropriate
- Potential Tree conflicts and park programming
- Development of Stormwater Pollution Prevention Plans for CSO and MS4 areas
- Different designs for MS4 vs CSO area
- Use of cost-effective practices and ease of maintenance

NYC Environmental Protection

Contract Administration and Project Milestone Schedule

Anticipated Contract Duration: 1,095 **ccds**

Renewals: Two **1-year** renewal options

Anticipated Contract Start Date: **June 2027**

Anticipated Contract End Date: **June 2030**

With Renewal Options: **June 2032**

NYC Environmental Protection

PASSPort

- All Bids/Proposals/Questions must be submitted in PASSPort

- For assistance in using PASSPort contact the MOCS at:

  - MOCS Service Desk

PASSPort Discussion Forum Tab

- The Discussion with buyer tab is a forum to communicate directly in PASSPort with the RFx contracting agency after you have decided to respond to the RFx (i.e. clicked “Participate in RFx” button).
- PASSPort maintains and can display a record of all interactions between you and the agency.
- Indicate the Type of message you would like to send by selecting a category from the drop-down.
- Add a Subject line.
- Indicate the agency contact To whom you are sending this message by selecting from the drop-down menu.
- Compose your message in the textbox.
- Click the “Send” button to submit your message
